3rd SERIAL KILLERS True Crime Anthology (Annual True Crime Collection)

Synopsis

****WARNING**** This book contains graphic forensic crime scene photos and statements that some may find very disturbing. The best of this year's true crime writing from master authors RJ Parker, Peter Vronsky, JJ Slate, Sylvia Perrini and Michael Newton who give us nine new shocking case accounts of serial killers. **Á** **Á** **Á** **Á** Cesar Francesco Barone convicted in four rape murders but suspected in many more, Barone briefly shared a cell with notorious serial killer Ted Bundy and claimed to being "tutored" by the notorious serial killer in murder. **Á** **Á** **Á** **Á** William Mentzer an enigmatic serial killer and a drug syndicate hitman, at one time an associate of Charlie Manson, identified by David Berkowitz (Son of Sam) as a satanic cult figure and recently named as a suspect in the notorious still unsolved Zodiac Murders in San Francisco. **Á** **Á** **Á** **Á** Myra Hindley the most reviled woman in the UK, the female partner of serial killer Ian Brady. **Á** **Á** **Á** **Á** Known as the Moors Murderers, the couple raped and murdered at least five children in 1963-1965. **Á** **Á** **Á** **Á** Arthur Shawcross a necrophile cannibal serial killer who, after raping and murdering two children in his hometown, served fourteen years before being paroled into the community of Rochester, where he proceeded to murder twelve women. **Á** **Á** **Á** **Á** Allan Legere the Monster of the Miramichi, one of Canada's most brutal serial killers who, while serving a prison term for murder, escaped to terrorize the Province of New Brunswick murdering another four people in a seven-month rampage. **Á** **Á** **Á** **Á** Charles Sobhraj nicknamed "The Serpent" and "The Bikini Killer" targeted naÁfÁ ve young tourists on the "Hippie Trail" through Turkey, Greece, Thailand, India, Pakistan and Nepal. **Á** **Á** **Á** **Á** Robert Ben Rhoades the Truck Stop Killer, convicted in the torture, rape and murder of three women but suspected in fifty murders along the US Interstate system. **Á** **Á** **Á** **Á** Dana Sue Gray a female serial killer who atypically targeted strangers, elderly females whom she strangled rather than using poison, the female serial killer's choice weapon. **Á** **Á** **Á** **Á** Robert Hansen Alaska's notorious "Butcher Baker" who lured as many as thirty women to his remote hunting cabin where he released and then hunted them like wild game before raping and killing them. **Á** **Á** **Á** **Á** An introductory on the difference between a Psychopath, Sociopath and Narcissist Now FREE to Read Using Your KindleUnlimited Membership | Kindle eBook is FREE when you purchase the Paperback edition

Customer Reviews

I found this book hard to put down as it is written by a great team of authors who did an excellent job of telling each killers' tale. I highly suggest reading all of the books in this series if you enjoy reading true crime.

I love these anthology books because I usually read about serial killer that I am not familiar with. That is the case with this book as I had not read about most of these killers before. This was a great group of authors that did an excellent job researching and presenting the stories. This is a very well written book and I highly recommend it to any true crime fan.

Volume three of the serial killers true crime anthology. With Michael Newton, Peter Vronsky, RJ Parker, Sylvia Perrini and JJ Slate doing the writing for this volume. Starts off with an introduction of Sociopath vs Psychopath vs Narcissism in Criminals. Great stories from some great authors. I enjoyed every story and couldn't put it down. Can't wait till the next volume. In the meantime check out the authors other books which I have read almost all of them and they are great.

Some of the best true crime writers have contributed stories to the 2016 True Crime Anthology and

made it a book for your "keeper" shelf. True crime buffs will recognize some of the featured serial killers, but the writing and details provided make the stories feel fresh. A few of these brutal murderers were unfamiliar, so I added them to the running list of devils I keep in my head. They are known and remembered for all the wrong reasons and serve only as cautionary tales of the type of people to avoid. Anthologies by necessity include short stories, and all of these are interesting and informative. I think you'll enjoy reading this book.

Many times anthologies, even with great editors, are uneven. I felt any slight unevenness in this anthology was based more on the case material available to the authors. It is impossible for most people to get into the minds of serial killers (thank goodness!), and this book doesn't hammer one over the head trying to do that, but presents what I perceived to be factual material in a manner that lets the reader draw their own conclusions. Even though the cases are horrific, the writing is not.

I enjoyed the book and thought each story was thrilling and intriguing!!! Each story was interesting to know. Didn't have any idea these stories existed and will leave an impression on me!!!

Wonderful True Crime Anthology by a lot of Really Talented True Crime authors that I have loved for years. Third in a series of Four anthologies

My rating would have been higher if not for the number of missing pages throughout the book. Hopefully this will be corrected in the future. I am a true crime fan and was drawn to this series of lesser known crimes but am hesitant to purchase other volumes for fear that I will be faced with another onslaught of blank pages dispersed throughout the book.
