Arthur's Really Helpful Bedtime Stories

Synopsis

Arthur, D.W., and their friends bring a touch of their own personalities and senses of humor to this sprightly collection of classic bedtime stories. "Could you please be more careful--you're drooling on my cape," says D.W. to the wolf in "Little Red Riding Hood." "Lucky I'm not afraid of heights," proclaims Francine as she climbs to the top of the mattresses in "The Princess and the Pea." Master weaver Arthur has the last laugh in "The Emperor's New Clothes." Each short, fun-to-read story has just the right mixture of the familiar tales with the contemporary spin of Arthur and his friends. "The Frog Prince," "The Three Bears," "The Three Little Pigs," and others round out this big, heavily illustrated hardcover bonanza for parents. Yes, it's really helpful in getting the kids settled down and ready for bed!Â Â

Book Information

Age Range: 4 and up

Hardcover: 48 pages

Publisher: Random House Books for Young Readers (October 6, 1998)

Best Sellers Rank: #1,343,811 in Books (See Top 100 in Books) #32 inÂ Books > Children's Books > Fairy Tales, Folk Tales & Myths > Collections

Customer Reviews

Arthur, the endearing aardvark, helps modernize (and warp) 10 classic stories, including "The Emperor's New Clothes," "D.W. and the Three Bears," "The Frog Prince," and "Buster and the Beanstalk." Witty versions of these favorites, with appealingly believable characters, will keep young readers clamoring for more. Children who are already fans of Arthur and his buddies will recognize their idiosyncratic personalities, even through these twisted yet familiar tales in which Red Riding Hood's dad is a cook; the three little pigs use earthquake-resistant, reinforced I-beams rated to withstand a Force-3 hurricane; and the princess in "The Princess and the Pea" is a pretty tough chick. Marc Brown's charming illustrations add immeasurably to the humor of these stories. A perfect bedtime standby. (Great read aloud, ages 2 and older) --Emilie Coulter

Bought as a gift for newest edition to family, baby Arthur.

My son loves this book, he sat down and spent 30 minutes flipping the pages and looking through the book. Here you'll find lots of classic fairy tales done-up with Arthur characters, and toned down for young readers. It's modern-ish and there's a fair amount of excitement for a bed-time story, but my son enjoys it. A great price for such a large collection. I'd recommend them.

My daughter loves Arthur books, and this is no exception.

great book!

I Purchased a book for my 4 year son. He was so excited that we found the book we had been looking for. But we waited and waited, but it never came. We e-mailed the seller twice to asked what happened, but they never responded.

This is really a terrific book--it takes classic fairy and folk tales and gives them a non-sexist, modern twist. Younger kids will appreciate the pictures and the Arthur characters while older kids will understand the humor, courtesy of the subtle play on words throughout the book. It would be a terrific book to add to one's home or classroom library, and even useful for teachers of upper elementary or middle grades while doing a unit on fairy or folk tales.

It would be a terrific book to add to one's home or classroom library, and even useful for teachers of upper elementary or middle grades while doing a unit on fairy or folk tales.

I have read this book and when my babysitter came, she used to read a story and I would go to sleep. It is like magic. Sometimes, I read the book to myself and notice the drawings and the fairy tales. I think of the colors that I see and see what it reminds me of. But it really does work on me.
