Anonymous: Jesus' Hidden Years ... And Yours

Synopsis

We all experience times of hiddenness, when our potential is unseen and our abilities unapplauded; college freshmen, transplanted professionals, new parents, the widowed, the retired, the waiting. Though we often want to rush through these anonymous seasons of the soul, they hold enormous power to cultivate character traits that cannot be developed in any other way! Jesus was no exception, says author Alicia Britt Chole. Most of His first 30 years were not recorded and consequently are not celebrated. But unknown is not a synonym for unimportant! This hidden 90 percent of Jesus' life was essential! As it was for Jesus, so it is for us: personal hiddenness prepares us for true spiritual greatness. In these sacred spaces, God grows in us an unshakable identity, an accurate portrait of Himself, trust in His timing, and a disciplined imagination.

As a young atheist, Alicia Britt Chole believed that man had invented God to fill the gaps in human knowledge. "Truth to me was dead, God had never lived, life was full of pain, and death was the end of life." In 1983 God captured Alicia's attention and soul. She now speaks to leaders, professionals, women's groups, ministers, and college students concerning spiritual life, temptation, conflict, disillusionment, deception, mission, and mentoring. She has authored the books *Pure Joy* and *Until The Whole World Knows*, and written several audio/video series, email devotions and more. She and her husband Barry have a son and a daughter.

This book is exquisitely and authentically written and if your heart is open to it, it will change your life. This woman seems to know Jesus and a level of intimacy that most of us can only imagine but all of us have access to if we want it. Ad who knew anonymity would be the path to true authority! I love God's economy! This book was given to me by my spiritual mom a few months before she transitioned to heaven unexpectedly. It has been a treasure to me for that reason, and also because the book itself IS a treasure. If you only read one book this year...read THIS one!!!

These are hidden years in my life. I have been struggling to endure them, but after reading this lovely book, I can find peaceful and useful purpose in this blessed respite. Thank you, Alicia Britt Chole, for sharing this insight and helping release me from the confusion this formerly unwelcome period had caused.

Alicia Chole is truly a woman of God and I believe that what the Lord has revealed to her regarding the 'hidden' years of our Lord Jesus is profound. Much of our own lives are lived in obscurity and this fact sometimes brings despair. We are called to trust the Lord for all things we experience and encounter. What a blessing to know that He wastes nothing!

This is a great read. If you are a Woman going through a tough or dark period, this is a must read! Going to read it again soon

This book has hit me at the absolute perfect time. If you are questioning the season you are in, I challenge you to read this book. I feel encouraged and challenged and am ready to serve God in the anonymous seasons of life as they come.

I love the way this book is written and laid out. Concepts are simple, yet profound and meaningful for us all. The call to embrace hiddenness is counter-cultural yet so obviously to be embraced once revealed. Thank-you for this book Alicia and to our God Who inspired it.

This is the second book I have read by this author ... she is a gifted (anointed) author who skillfully speaks into my heart ... she easily and clearly opened up the power of Jesus' hidden years and His desert temptation like I have never seen before. I highly recommend this book ... you won't be disappointed.

A great book from a former atheist. There is insight in this book that brings out who Jesus is and who we are in Him. It shows the riches in the seasons where one may think they are stagnate.
