# Citrus Vol. 1 (English Version)

## Synopsis

For fans of *Girl Friends* and *Strawberry Panic* comes a breathtaking new yuri series! Aihara Yuzu, a high school girl whose main interests are fashion, friends, and having fun, is about to get a reality check. Due to her mom's remarriage, Yuzu has transferred to a new, all-girls school that is extremely strict. Her real education is about to begin. From day one, happy-go-lucky Yuzu makes enemies, namely the beautiful yet stern student council president Mei. So what happens when a dejected Yuzu returns home and discovers the shock of her life: that Mei is actually her new step-sister who has come to live with her? Even more surprising, when Mei catches Yuzu off guard and kisses her out of the blue, what does it all mean?

## Book Information

## Customer Reviews

Saburouta is a Japanese artist best known as the author and artist of *Citrus*.

This is the very first yuri manga series I'm reading. What caught my attention was the cover art and the rest of the book does not fail to do justice on it. Within the first volume, we get into the waters pretty quickly. We get a good background of Yuzu and a little bit, yet a good amount, of what Mei is like. It's a decent setup of an affair; two characters who are polar opposites. What's more interesting are the factors being played between their relationship. Is their relationship possible? What will those who care for them think? In my opinion, the two main characters are enjoyable. Yuzu is cheerful and comedic while Mei is serious and cool. These character-types are common in

anime/manga, so it's easy for me to settle in. But the fact this story revolves around forbidden love makes it fresh. Already a great start! Can't wait for the next!

Citrus: Secret Love Affair With Sister, Vol. 1 is a book I didn't think I'd ever buy, but because of some viral marketing on 's part, I ended up ordering it some six months or a year ago. Yuzu is a pretty, blonde high-school student whose mother has recently married, forcing the two of them to move to a new town, where Yuzu will attend a a new school. On the first day of school, she's harassed by the class president, who turns out to be her new step-sister, who turns out to be her new love interest. You're probably thinking, "Zac, you've read some stupid s\*\*\*, and this is just about the stupidest, but Citrus is a well-crafted guilty pleasure. Be forewarned, this is a story about a step-sister harassing and sexually harassing a teenage girl. Of course, it's a manga, so the girl being harassed is totally into it, thus perpetuating the stereotype that it's okay to sexual harass women because in the end, they'll like it. I can't wait for the next one.

\*\*\*\*1/4

Citrus plays the two sides of the romance coin very well. It's emotionally sensitive and satisfying and also creates intense sexual tension without making it seem too forced. The characters are dynamic and entertaining, and there are several gratifying surprises and twists in the story. The only qualm I have with this story is its lack of recognition for the social repercussions of a lesbian relationship, particularly in this setting and with the two main characters being stepsisters. Regardless of this, I found the series so far to be very gripping, and I'm excited for the release of the next volume.

I really like this series, i hope they will make it into an anime.

Great manga, love this manga. Give this one a shot, you may like it.

Any fan of yuri/shoujo ai should purchase this series. The plot is progressive but not sudden and the art/story is exciting and fluent.

A good manga

Citrus, a Manga Yuri about two step sisters (Not related by blood but by marriage.) Falling for one another and the struggles they go through.
