How many times can you jump rope? This rhyme makes the game of rope jumping even more fun. It's a counting rhyme, and there are lots of others like it. There are also red-hot pepper rhymes for jumping very fast, and rhymes for jumping in and out of the rope. There are even fortune-telling rhymes that answer questions and help you predict the future! The rhymes in this book began as a way to keep the rhythm while jumping rope, but they also lent poetry and humor to the game. Here are over one hundred traditional rhymes that will make rope jumping challenging and, best of all, fun.

Joanna Cole is the author of the popular Magic School Bus series, I'm a Big Brother, I'm a Big

Sister, and many other award-winning books. In *Asking About Sex & Growing Up*, she provides a reassuring blend of practical guidance and scientific fact for the audience that needs it most.

I was so very surprised to discover that many kids don't know jump rope rhymes. (Or fairy tales, or manners, but I digress.) I could have just looked these up online, but I wanted a book that I could hand to a kid and say, "here pick the one we'll jump next."

Brings you back to the schoolyard. You won't have to just count 1,2,3,4-- this book gives you find songs to challenge your littles and add flavor to their jump roping sessions. Perfect addition to our new rope! Great purchase!

Sweet rhymes for your jump rope loving girl. My daughter keeps this book at the ready. Would recommend to others.

It wasn't exactly what I was expecting, but it's still cute.

Cute book.

Fun with a lot of great rhymes.

A fun way to keep in time with the jump rope. My sisters used some of these rhymes 60 years ago. I am glad they aren't lost to the ages. Rhymes are necessary, but add charms to a healthy activity.

I bought it for my Granddaughter for Christmas. I know she will enjoy it as much as I did when I was young.
