## Customer Reviews

Great read every page is intricately written.

Inspirational but hard work

Somewhat hard to read as most translations but is definitive in its understanding of the origins of scripture and Christian ideals.

I love this book. I would suggest that everyone get a copy and read it. It will open your mind and

heart to the wonderful story of God's marvelous grace.

It amazes me how the writings of the early church fathers are still applicable to today's life style. I guess people don't really change within themselves that much.

I kinda wish I bought paper so I could write in the margins. As for the text, I'm not sure who did this translation, but it's pretty good. As for the original, c'mon, it's hung around for 18 centuries. You can't argue its significance.

Good book
