# Identity Theft: Reclaiming Who God Created You To Be

## Synopsis

Identity theft. We all know the damage it inflicts— or do we? There’s a kind of identity theft that goes far deeper than our financial records. It impoverishes our souls and keeps us from experiencing the richness in life God intends for us. Have you been Robbed by Relationships? Mugged by the Mirror? Stolen by Success? Pickpocketed by the Past? Mike Breaux exposes the four “identity thieves” that steal our sense of who we truly are and render our lives diminished versions of what they were intended to be. We were never meant to be chameleons, changing into whatever we need to be in order to gain love and acceptance. We were created for more— much more— than the way we look, what we accomplish or fail to accomplish, and the sum of our past rejections, failures, and wounds. The good news is that no matter how they were stolen, our identities are retrievable. With trademark humor, compelling stories, and down-to-earth wisdom, Mike Breaux shows how we can reclaim our deep, God-given identities and live freely, purposefully, and joyously out of a renewed knowledge of who we truly are.

## Customer Reviews

Good book. Very useful application material, especially for those (like me) looking to teach/preach more effectively on the topic of identity theft. I especially liked his breakdown of how we let others steal our identity instead of living life as God intended.

Identity Theft offered so many great insights that applied to my life, before and after knowing Christ! A GREAT read to take on your journey through life.

I love Mike's sermons but I couldn't really get into this book. I think he may be getting more PC, and that is sad.

Great Book, Good quality ... Exceptional Reading Content ... Hard Cover book with a Second paper Casing over it

This book contained good information which was presented in a very readable manner. I would highly recommend it to anyone.

Enjoyed this book tremendously. It is a book based off scripture that tells you how to not lose your identity in this world to material things. Teaches you how to reclaim the person God meant you to be, and not depend so much on the world and set your sights on heaven.

Received in time. Price was cheaper than other places and I am very happy with this purchase. It was easy shopping.

Identity Theft is an easy read and puts our big world of marketing in perspective. Good book for examining self worth and realizing who God made us to be. Read only if you want to improve your spiritual walk.
