It's Not Easy Being A Bunny (Beginner Books(R))

Synopsis

This Beginner Book starring P.J. Funnybunny is a bunny-rific tale of discovery that's perfect for springtime reading! Meet P. J. Funnybunny in this humorous and touching Beginner Book by Marilyn Sadler and Roger Bollen. It's Not Easy Being a Bunny tells the story of P.J. and his quest to become something other than what he is. Is it more fun to be a bear, a bird, or a pig? Read along as P.J. tries to determine who he is and where he belongs. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. "Sick of being a bunny, P. J. Funnybunny takes off to become a bear. Hibernation gets dull, so he tries being a bird. And so it goes, with beavers, pigs, possums, and skunks--till P. J. realizes that bunnyhood is for him. The short, repeating text is ideal for beginners and the bright, humorous cartoons will get immediate attention." --School Library Journal.

Cute book for kids. It's not as much fun for me to read to them as some others, but the language is simple and I have no doubt this is a great book for a child who is just starting to master reading. Would recommend for early readers for sure.

This book has the typical story line of the main character not wanting to be who he is so tries to be a bunch of other things (or animals in this case). What's truly cute in this one is that he also tries to look like them. My little one's giggles over the pictures was well worth getting this one. I'm also hoping she might be reading it to me soon.

Such an easy, happy, just enjoyable read aloud. I remember my mother reading it to me and I couldn't wait to buy it for my own daughter. It is a great baby-shower book, because I don't know many people that have read it. I love to bring a book that is new ... Great option!

Toddler can't get enough of this book and wants it read repeatedly. She loves to point out the animals.

Such a cute book. My son's favorite. He didn't want to return after borrowing from the local library so I decided to buy and make it part of our children's book collection. Highly recommend

Another wonderful Dr. Seuss story! I bought this for my 5 year old. She laughed at all the funny things the rabbit did. Great addition to a child's book collection; especially for Easter.

Love the book and it came in perfect condition. The story is great so I don't mind reading it again and again and again....parents know what I mean.

My 3 year old daughter absolutely loves this book! I have to read about PJ Bunny every single night! Very cute story and not too long.
