# Theodore Roosevelt (Up Close)

## Synopsis

Two-term president. Nobel Peace Prize winner. Commander of the Rough Riders. Avid conservationist. Adventurer. All of these and more, Theodore Roosevelt lived his long life to the fullest and left a legacy still remembered more than ninety years after his death. He started his long, successful political career at just twenty-three in New York State, and continued working in the public arena until well after his second term as president. Up Close biographer Michael C. Cooper takes readers beyond T.R.'s bold-faced achievements and explores the driving forces behind one of this country's greatest leaders.

## Book Information

Lexile Measure: 1180L (What's this?)

Series: Up Close

Hardcover: 208 pages

Publisher: Viking Juvenile (July 9, 2009)

Language: English

ISBN-10: 0670011347

ISBN-13: 978-0670011346

Product Dimensions: 5.3 x 0.9 x 7.4 inches

Shipping Weight: 9.6 ounces

Average Customer Review: 3.4 out of 5 stars 2 customer reviews

Best Sellers Rank: #3,369,137 in Books (See Top 100 in Books) #66 in Books > Teens >

Presidents & First Ladies

Age Range: 12 and up

Grade Level: 7 and up

## Customer Reviews

Grade 7-10 "This trim and extremely readable biography portrays the 26th president's full and varied life. Cooper draws on many sources to weave a story of the sickly child who grew into a robust, energetic man with seemingly boundless energy. He covers various facets of TR's life: naturalist, cowboy, soldier, author, loving husband, doting father, civil servant, and unexpected (but very successful) president. While striking an admiring tone, the author stops short of painting only a glowing picture of Roosevelt. He discusses his subject's abuses of power and often-foolhardy

behavior. Colorful quotations demonstrate TR's humor and character. Black-and-white photos and reproductions illustrate the volume. This title is more concise than Betsy Harvey Kraft's Theodore Roosevelt: Champion of the American Spirit (Clarion, 2003) or Matt Donnelly's Theodore Roosevelt: Larger Than Life (Linnet, 2002). It is a compelling summary of a man who is credited with enlarging our national parks, beginning the construction of the Panama Canal, ending a war between Russia and Japan, "busting" trusts and cracking down on corrupt big business, and being "the most popular man in America" at the end of his administration.â "Lisa Crandall, formerly at Capital Area District Library, Holt, MI END

"...a superb biography...written with a vigor and enthusiasm to match the subject." --Kirkus, starred review  
"A rousing tale...that captures the sum of the man's personal failures and political ambition."  
--Horn Book  
"This trim and extremely readable biography portrays the 26th president's full and varied life." --School Library Journal

Excellent condition. Interesting book. Used for kid's school reading points. Thank you.

An astoundingly bad book. To begin with, there are major omissions, such as TR's trip to Brazil in 1914 where he caught malaria, affecting his health for the rest of his life. There are grammatical errors such as the statement that Roosevelt spent a lot of time "pouring" over the New York Times. And then there is this: "After McKinley's inauguration on March 4, 1901, exactly one hundred years after George Washington had been sworn in as the first president of the new republic...". Even elementary school students are supposed to know that George Washington died in 1799. How can anyone who authors a book on an American historical figure even THINK this, yet alone commit it to a book? How can any editor or publisher allow it to appear in print? It has to be one of the most blockheaded sentences ever to appear between two covers. If you want to learn about Roosevelt you are better off reading about him on Wikipedia. Spend your money on something else. I rated it at one star since a score of zero is not allowed.
