Shipping Weight: 4 pounds (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars 11 customer reviews

Best Sellers Rank: #253,224 in Books (See Top 100 in Books) #56 in [Books > Teens > Education & Reference > History > United States > 20th Century](#) #78 in [Books > Teens > Education & Reference > Social Science > Politics & Government](#) #65915 in [Books > Textbooks](#)

Customer Reviews

Heavy wear, pages unmarked.

thanks really needed cheap (great price) came right on time

ok

Fast delivery. Book was in excellent condition, as described. No surprises.

Great book

Received this the very next day - exactly as described.

I ordered a book. It was said to be in used, but good, condition. It arrived at the beginning of the stated delivery window and was in almost perfect condition.

Book was listed as good condition. The back cover was permanently creased and binding was falling apart. I would have never purchased this book if I knew the condition it was in.

The book is lavishly illustrated in vibrant, many-hued pages. There are numerous maps, woodcuts and photos of over a century of events. Proper acknowledgment is also given to the many ethnic and religious groups that fused into the US during this period. Thus, there is good coverage of the Mexican War of 1846-7, which often received only cursory mention in earlier books. The war proved crucial in extending the US to its present border on the Rio Grande. The book also gives an extended foray into describing slavery. Its oppression is not deprecated in any sense. The Underground Railroad is shown shepherding escaped slaves to Canada; an often perilous task. High school students of history should benefit from this thoroughly researched and well presented book.
