## Customer Reviews

These books were a GREAT help to our small church. We had kids from preschool to 5th grade all in one class and the lessons were engaging enough to keep all ages interested. The crafts and activities are fun and creative. The lessons are broken into units with one main point for each. It was a great way to help the kids remember the memory verses and main ideas. This is also great because everything is in one book. Just pass it on to the teacher for the next week so they can prepare. Not a lot of heavy props, etc. to carry around.

Great book to use as a guide for homeschooling!

I love this series. Easy to use and fun too!!

I was really pleased with this purchase. The book brings everything together for the teacher.. story,

Bible verse, songs, coloring and crafts for each lesson! The lessons seem well targeted for Pre-K age level.

Great

It is a great book my Sunday School kids love the lessons, so do my Vacant Bible School class.

These are well written and easy to use.

I love the fact that i can choose the activities and crafts that I want to do with the children each week. Lots of options for each lesson makes it flexible. Great curriculum!
