Customer Reviews

The book offers a wide variety of recipes from different regions in Germany. It is a good first intro to German cuisine. It would have been nice if the book would have mentioned the region of origin of each recipe. Due to the many typos (both in the English text as in the German names of the dishes) and some missing ingredients (items mentioned in the directions but not in the ingredient list), I can only give a 3 star review.

Great recipes easy to do and just yummy

Great Kindle Read!!!
