## Synopsis

ACCESS GOD'S SUPERNATURAL POWER AND AUTHORITY TO DEFEAT THE DEVIL Many people are unconsciously living in bondage. Marriages are failing, drugs are rampant, pornography is everywhere, and even Christians have given up on God, the church, and themselves. The Biblical Guidebook to Deliverance provides you with the supernatural power and authority to fight your battles and be free from oppression. Full of scriptural, yet practical, teaching this book will help you learn how deliverance was part of Jesus' ministry in the New Testament, and how you have access to the same power enabling you to live free from the chains of sin. No matter what situation you are going through, God will give you His grace so that you can rejoice in freedom and live in the fullness of life that He intends for you.

Randy Clark, DMin, is the president and founder of Global Awakening. A noted international speaker, he is known primarily for revivals associated with healing and impartation. Randy received his MDiv from Southern Baptist Theological Seminary and his DMin from United Theological Seminary. He also received a ThD from Phoenix University of Theology. He is the author of There Is More, and coauthor of The Essential Guide to Healing and Healing Unplugged.

Randy is a graduate from United Theological Seminary and also a doctoral mentor at United, where I teach Evangelization. We have been blessed to work with Randy, who demonstrates an approach

to divine healing and deliverance that seeks the best in theory and practice. His book "The Biblical Guidebook to Deliverance" models such an approach. Well-written and researched, this work begins to fill the void among Spirit-filled believers for sound scholarship in the supernatural and among scholars and academics for a faith-filled approach that does not explain away Scripture or the work of the Holy Spirit. I appreciate Randy's balanced ministry, faithful friendship, and humble character as he continues to be a major agent of the Spirit in global renewal.

This book is more for people who have not had much experience in this area. If you were raised in a traditional church this would be very helpful for you to understand the subject matter. If you have been in pentecostal circles for some time it revisits a lot of what you probably already have learned. Very well written and easy to understand.

Randy Clark does a great job of looking at the history and misconceptions in deliverance, but the book is very small and easy to read. He also walks you through his deliverance model. I highly recommend this to anyone who wants to learn deliverance!

This is a great resource into the topic of deliverance. Mr. Clark seems balanced in his Theology as well as his explanations for his methods.

Brother Clark touched on so many areas concerning deliverance! Reading and will reread!!

Love it.

Best book on deliverance for today I have read. Dr. Clark goes into detail the who, what, where, when and how of deliverance not only in third world countries but Western Countries as well. It is well reasoned with Bible explanations, and personal experiences. One of his best I think. I own most of them.

It provides a historical and biblical understanding of deliverance. In addition, there are practical applications to carry out deliverance. It's a book I find myself continually back to on a regular basis as a great reference guide. I would highly recommend this book!
