Unmasking The Devil: Strategies To Defeat Eternity's Greatest Enemy

Synopsis

Satanist-Turned-Evangelist Gives You the Inside Strategy to Defeat the Devil's Plans! Many people, even Christians, deny the devil's power. John Ramirez doesn't have that luxury—he experienced the prince of darkness up close and personal. In the impoverished streets of the South Bronx, John Ramirez found acceptance from a family of witches and warlocks. These practitioners of dark arts trained him to be a high-ranking satanic priest—a story told in his first book, *Out of the Devil's Cauldron*. However, everything changed when he met the living Christ. In *Unmasking the Devil*, John Ramirez shares an insider view of how Satan operates so you can avoid his traps and learn how to: discern between the voice of God that directs to victory and Satan's voice that leads to destruction. Close the demonic doors Satan uses to enter your life: entertainment, unhealthy relationships, greed, and false religion. Activate the spiritual weapons of prayer, intercession, and Scripture to render Hell powerless over your life. Recognize how the spirits of Jezebel and Delilah attempt to infiltrate the church, create disunity, and render God's people powerless. No army goes into battle without first knowing the tactics of their enemy. Receive behind-the-scenes glimpses of Satan's strategies and equip yourself to live victoriously over the powers of darkness! "Spiritual warfare is a must for every Christian if they are going to survive in the coming years," says John Ramirez. "It's time to stop playing patty-cake with the devil and learn how to put Hell on notice."

I am not a person who writes reviews, I refuse to pass the opportunity to give my opinion about this book! The Bible is the most powerful book I have ever read, read and will read as long as I shall live. John Ramirez's book is absolutely the most anointed and powerful book I have read after the Bible! It's a must read book for every human being on this earth. I will pray to Father God in Jesus Christ Holy Name to make it available for all people who is willing to live and desires eternal life, to make it available in every nations in all languages! I think of John Ramirez as our time "Moses" who has been empowered by our God to take us through the Red Sea and the guidance of the Holy Spirit arrive to the Promise land! When I read a book and I find something Very important I mark the page by fold up the corner.. I never realized until my husband was holding the book up and asked me a question "honey what did you do tho this book?" I saw that I marked every page! :) It wasn't intentional, but it showed me even more clear that every page has vital information. Every part of the book lines up with the Bible and the Scriptures. I felt the presence of the Lord reading it with me and gave me incredible revelations, wisdom and understanding. I got on my knees several times through out reading the chapters and Jesus Christ and I spend heart to heart quality time with each other! I would like to say this is not a book you read once or twice, my Bible and this book Unmasking The Devil will never collect dust on my bookshelf. If anyone gives a bad review on this book is simply being used by the enemy to keep you away from the truth and from God. Please don't debate with yourself to order this book or not.. Just make the purchase and your life will never be the same! John Ramirez if I never see you here on earth to personally thank you for serving our Lord Jesus Christ with all your heart and might and for persevere all that the enemy has done to you.. One day in Heaven I would like to tell you how our Father God used you as a wonderful instrument to set me and my family Free !!! Thank You!

I could not stop reading this book. It's an ultimate page turner. If you're wanting to learn more about spiritual warfare, this is the book for you. It's true, most people, even myself, know that the devil is real, but never really put too much stock into what he is capable of. Once the author made it plain about the devil's schemes and devices to keep us ignorant and bound, I immediately awoke

spiritually and know that everyday we as Christians have to fight from victory, not for victory, since we already won...but we can't rest on our laurels. The devil wants us dead, and we as believers in Christ Jesus wants the devil back in hell where he belongs. This book teaches you exactly what to do for deliverance. PLEASE BUY THIS BOOK, become KNOWLEDGEABLE about how to DEFEAT the devil and be SET FREE!!!!!!!

This is the best book I read all year. I loved the deliverance prayers that are in this book as well as the personal stories that John provided. I know prayers are very powerful but learning from someone that was on the "other side" makes it more... hmm I can't find the words to describe it. I just know that it makes a difference to hear that prayers can really destroy the enemy's plans and we tend to take it for granted at times. I recommend this book to anyone that wants more of the Lord.

Who could write a better book on unmasking the devil than someone who had served him for 25 years? The book should be read by all, in my opinion, to gain insights into the practices of Satan and his servants. Also to gain an understanding of the reality of the devil, which most people don't think about or even believe. The book gives strategies to defeat the attempts of the enemy to defeat us, ruin our lives, and drag us into hell.

Been praying for yourself and loved ones with little to no fruit? Your loved ones bound and seemingly getting worse? You KNOW Jesus is the answer but you're not seeing deliverance and healing? Gods' people perish for lack of knowledge. The enemy has lulled The Church to sleep by deceiving her to think its ok to disobey Gods commandments. Gods people participate in forbidden pagan traditions during Christmas, Easter and Halloween as celebrations for Christ - disregarding His commands by saying, "He knows my heart". Church, this book will bring revelation to the spiritual battle we are truly in, giving such insight to the spirit realm that you will be ready for battle with confidence that victory belongs to Our God IF you choose to repent and come out of Babylon! It's time to take your place in the army of God and snatch the hopeless from satans grip! Lord, awaken your Bride in Jesus holy name!

The message in this book has literally turned my world inside out. I am a preacher's kid, raised in church my entire life, and have witnessed many "deliverance" messages and preachers. Needless to say they were all nut jobs, so I almost didn't read this book either. Thank God for the Holy Spirit. I

literally could not stop reading. I always try the spirit by the Spirit and I believe this man to be the real deal. Buy this book. Read this book. You will not regret it!

This book is an answer to prayer. I wasn't looking for it but it jumped out at me while browsing through the books. I have been praying for direction and have been receiving back much instruction on prayer itself. This book, I believe is one of several of the answers I've received and it has blessed me very much! I have a couple doctrinal disagreements, but I find John Ramirez to be a trusted brother in Christ and a weapon against the devil and his ilk. I urge all bible believers to use what our brother has to offer us through his powerful ministry. I have also read The Devils Cauldron and watched Johns interviews on t.v. and Youtube.

This book is absolutely amazing. I would recommend it to any Christian I know! I learned SO much about how the enemy works and how to battle. I originally ordered this on Kindle and loved it so much that I ordered it paperback as well so I can bookmark and highlight in it and keep it next to my Bible! I have read dozens and dozens of books in spiritual warfare and this is hands down the best book of them all- by far.
