Great book about God's love; only reason for 4 stars was formatting issues which was a little bit

distracting.

You can not go wrong buying this book, It'll draw people to God the Father through His Son Jesus Christ.

Simple story that does not veer away from the biblical context of salvation and why Jesus had to come. The book is colorful and easy to follow.

Vibrant illustrations and simple text appeal to early-learners and older ages alike. Beautiful message about our Savior. Thank you, Aaron Miller!

Love. This basic gospel story for young children. Great colours and keeps little ones engaged. Used at our music class.

Perfect book for sharing Jesus' story with kids of any age!

Beautiful book!

This book has become a favorite of my granddaughter. She will not go to sleep until it is read to her, both afternoon nap and at night. I bought one for a baby shower and five of the ladies attending said they were going to purchase the book as soon as possible after reading it. The story expresses the purpose of Jesus in beautiful words and pictures.
