Before You Meet Prince Charming: A Guide To Radiant Purity

Synopsis

A young lady who is pure will shine with a radiant brightness in this world of darkness. How can a young lady stay physically and emotionally pure as she waits for God's best in marriage? This guide to radiant purity combines the thoughts and events in the life of a young princess with solid, clear teaching of Biblical convictions that young ladies today need to grasp. Through a captivating fairy tale, modern day examples, practical instruction and abundant humor, Sarah Mally challenges young ladies to turn to the Lord for fulfillment, to guard their hearts and minds, to identify and avoid the world's thinking and to shine brightly in this generation. This book offers Biblical answers to everyday questions and deep life struggles. It deals with many practical topics such as being wise in internet usage, dealing with crush, and building strong relationships with parents.

We are adding it to our courtship reading list with pleasure. -- Dr. Jeff and Danielle Myers, President of Summit Ministries Christians are called to be the light of the world. In an age of increasing moral pollution

and defilement, the world desperately needs the enlightenment, exposure and radiant joy of Christian purity. And nowhere should this light shine more brightly than in the radiant purity of Christian young ladies. Sarah Mally has a special ministry that has blessed thousands of girls throughout the United States and a special God-given gift of inspiring them to a closer walk with their Lord. I wholeheartedly endorse her call to radiant purity. --Roger Magnuson, Esq. Dean of Oakbrook College of Law, Founder and Preaching Elder of Straitgate Church

As soon as I started reading Sarah's book I knew it was a message that girls today desperately need to understand. Through an enchanting fairytale it encourages them to take a courageous stand for purity, to guard their hearts and minds, and to shine brightly in their generation. -- Sheri Prescott, Author and Speaker, Miss Iowa (1997)

In *Before you Meet Prince Charming*, Miss Sarah Mally tells a sweet and delightfully humorous story of a young princess and her longing to meet and marry her own true prince. Woven throughout are godly principles to help guide and protect any woman in her quest to know, wait for, and follow God's plan for a modern courtship and marriage. Creative, accomplished and very helpful. --Gregg Harris, Author of *The Christian Home School*

"My girls like to read Before You Meet Prince Charming by Sarah Mally (Tomorrow's Forefathers). It's such a good resource for young ladies. We buy as many copies of that book as we can. Our girls even buy it with their own money. They look for opportunities to give to other young ladies. It's a good book for young ladies because it shows them where their heart should be when they're going through changes from age 11 on up." -- Michelle Duggar, co-author of *The Duggars: 20 and Counting!* and star, with husband Jim Bob and their children, of *TLC's 18 Children and Counting*

"Every young lady desiring to be married one day must read this book! It will challenge you; it will stir you; it will delight you! Most importantly, it will help you practically prepare

for one of the most important decisions of your life. In *Before You Meet Prince Charming*, Sarah Mally tackles the most critical subject for single women and offers insightful counsel with a wonderful sense of humor. I believe this will be a great encouragement to princesses everywhere!

My 10 year old daughter is loving this book, it is written perfectly for the young teenager. I enjoyed the book myself when I pre-read it for her. Love the way this topic is presented. Of course, it is "churchy", we are Catholic so there are areas that the author teaches their faith and I have to discuss those areas with my daughter but I don't feel like they are deal breakers. I would recommend reading either with or before your child so any areas of such concern can be used for talking points but it's an important topic and well written so very worth having this book!

We really like Sarah Mally. We had read *Making Brothers and Sisters Best Friends* a long time ago (and need to do it again). This is a great book to do aloud with teens. We really enjoyed how she wove a fairy tale into the teachings. We were just as interested in that as in the message of purity. I feel this helped the girls cement how waiting can be hard but they are capable of doing so.

This book isn't just about "Prince Charming." It is for every area of life. The book uses a cute and interesting story line to go along with her message. She also uses her own personal life in which she was put into uncomfortable situations. This is the best book I have found for teaching girls how to use common sense with choices, clothes, friends & people in general, and in such a way that girls will be confident in making good decisions, regardless of what others do.

Every girl should read this profoundly written book!!! Great examples and excellent teaching!! Easy to understand and holds your attention... Purposely waiting for the best while joyfully serving the Best....God.

If you're going to read the book...get the guide. It helps especially when using with tween girls and dads who would much rather be doing something else.

The old English was confusing; difficult to read at times. It was an ok book. I think the author is a bit naive, however, she loves Jesus and that's all that matters.

A client passed this along to me to read a couple years ago, and I finished in about 2 weeks. Great Lessons. Great book. So, I had to buy some for myself and pass them out. They are sitting in my studio for others to read! Thank you :)

Sarah does a great job to show the reality of today's dating. Not only does she show the deception of Satan, she gives great advice and steps on what to do until or if the spouse God has for you enters your life. I think every girl and parent should read this book before the child enters puberty.
