# Tomart's Price Guide To Hot Wheels, Vol. 2: 1997 To 2008, 6th Edition

## Synopsis

Volume Two updates Hot Wheels values and adds information for first edition castings introduced from 1997-2008. It supersedes values and other information published in previous editions, and is the most complete photographic collector's guidebook authorized by Mattel. This book also includes RRRumblers, Sizzlers, Crack-Ups, Flip-Outs, ChopCycles, Color Racers, Farbs, Hot Line Train, Zowies, and more. This book is an identification and value guide to Hot Wheels cars and accessories...a new toy idea when it was introduced in 1968, and remains the leading die-cast vehicle collectible over 40 years later. The Sixth Edition has outgrown a single book and is published in two volumes.

## Book Information

Paperback: 168 pages

Publisher: Tomart Pubns; 1st edition (May 15, 2009)

Language: English

ISBN-10: 0914293648

ISBN-13: 978-0914293644

Product Dimensions: 10.9 x 8.5 x 0.4 inches

## Customer Reviews

When you see "Vol. 1" and "Vol. 2" in the titles of two separate books, you'd expect there's a large enough amount of information that couldn't all fit in one volume. This is certainly NOT the case. This book is the same size as my 1990's Tomart's price guide. They could have EASILY combined Vol 1 and Vol 2 into ONE paperback book and not charged \$35 a piece for them. Outrageous.

I have rated it 4 Stars because the Catalogue was not covered with a plastic cover therefore it will always show some light creases on the front and back cover, maybe that it something that you guys can improve on and apply for future buyers. Kind regards Joe

It is hard to use and take a lot of your time to locate and price items. If you just want to locate the car it can take you a few minutes if you even find it???

Not worth the price! Way outdated.

Tremendously boosted the value of my collection.

A good resource for looking up the value of your hot wheels. Easy to read with a nice index at the back and a good history of the Hot Wheel.

Exactly what I wanted

a must
