Starfall: A Starflight Novel

Synopsis

When Princess Cassia Rose fled her home world of Etura to escape an arranged marriage, she had no idea her sudden departure would spark a war. Now after two years hiding as a ship hand, she is finally returning to her beloved home...but not in the way she imagined. Shackled by bounty hunters, she is violently dragged back to account for her crimes. Her only solace is that the Banshee crew managed to evade capture, including Kane Arric, her best friend...with occasional benefits. Meanwhile, Kane and the rest of the crew of the Banshee plan a desperate rescue mission. But when they arrive on Etura, Cassia isn't exactly in need of heroics--she's claimed her birthright as Etura's queen, but has inherited a war-torn planet simmering with rebellion. Cassia must make alliances, and Kane, the bastard son of a merchant, isn't a choice that will earn her any friends. Kane knows he will never find someone to replace Cassia--and is certain she returns his feelings--but how can he throw away his own promising future waiting on a queen? When the outer realm is threatened by the dangerous Zhang mafia, Cassia, Kane and the rest of the Banshee crew uncover a horrifying conspiracy that endangers the entire universe. In the face of unspeakable evil, Cassia must confront her own family's complicated legacy on Etura and decide once and for all who her real family is.

Customer Reviews

It was fun spending more time with the fun characters in this series. The main characters in this book are only side characters in the first book and it was fun to get to know them better. Their relationship was pretty messed up in the first book and isn't much better in this one. They both need to do a lot of growing and a lot of soul searching before things come together in the end. It was funny because I had a dream that helped me figure out a major plot line in this book and then it turned out to be true. It was a great read.

Okay, so I'll be honest: I've been looking forward to this book since I knew of its existence, way back in March of last year. It's literally almost everything I wanted in a novel, especially a sequel, and I'm so happy with it! There were a few little things that made it not completely perfect, but I really enjoyed it nonetheless. What a great book.

Awesome sequel to the first book! Really enjoyed reading it and revisiting the characters! Loved it! Recommend it completely! BUY!

really very good!

Good story line. Lots of action told from the view of Cassia and Kane vs. Solara and Doran. I liked the first one better though.

Funny & entertaining. I liked the first book better. The lack of Doran and Solara is a loss, they are my favorites.

Filled with a ton of action, this book is sure to get your heart pumping and laughing, too. I thoroughly enjoyed reading the second book in this series. Will there be another one? If so, I'll be not-so-patiently waiting. Well done Landers!

Starfall is the second book in a series. I loved Starflight, so I was eager to read this book when it released a couple of months ago. Unlike the first book, Starfall isn't focused on Solara and Doran. It picks up the story of Cassia and Kane, who were both minor characters in the first book.

Cassia, a princess who's been on the run with her best friend, is kidnapped and taken back to her home world of Etura. Kane of course wants to go and rescue her. This book was fairly predictable. And while I loved Cassia and Kane's banter in the first book, since they're hardly together in this book, I just didn't feel as attached to them. Solara and Doran and the captain are in this book as well, and a new character is introduced, but overall I kind of had to force myself to finish this book. I was so disappointed. The first book had such great squad goals, but this book didn't have the same vibe. I was kind of in a reading slump when I read this book though, so I may have been that too. Blog: Opinionated Book Lover
