101 Smoothie Recipes

Synopsis

From the author of 101 Juice Recipes and the New York Times best-seller, The Reboot with Joe Juice Diet, comes a new collection of healthy, plant-based recipes - this time in smoothie form. The book features 101 delicious recipes, containing Joe Cross' favorite ingredients, some of which can't be juiced, such as nuts, nut milks, avocados, and even chocolate, in its purest form. Recipes are organized by color to ensure you receive a wide spectrum of nutrients and flavors. Have a health condition? Follow the key that indicates what juices are best for fighting specific conditions like diabetes, high cholesterol, osteoporosis, etc. Love to exercise? The key also lets you know which smoothies are the most electrolyte-rich and high in protein to optimize your workout. If you're new to blending, this book includes detailed tips on how to prepare your ingredients to save you time and help your smoothies taste delicious.

Customer Reviews

Joe Cross and his team of nutritionists make the best recipes anywhere. Try the 101 Juice Recipes too - haven't found a bad one in all the ones I've tried.

Great recipes, nicely arranged. It inexplicably assumes 8oz portions instead of the 16-20oz portions in the rest of Joe's material. I tend to cut the lemon & ginger in half, but I expect my taste to adjust. Apparently no longer available in hard copy (mine's Kindle), so I'm hoping it means an update's coming? But a very helpful smoothie recipe book.

As a cancer survivor living a plant based life now, this book was excellent. Anything Joe Cross makes this lifestyle change very easy. They book is more helpful than most in that it tells you what the medical benefits are to each recipe. What I mean is it tells you if it is good for helping cancer, diabetes, heart issues. It is a great help to many different kinds of people choosing a plant based lifestyle no matter what their reason. I have both this book as well as the Joe Cross 101 Juice Recipe book. They are both worth your money and time.

good

After watching Fat sick and Nearly dead I am juicing at least one 2 times a day and love to juice. I do an occasional smoothie. I only had a few smoothie recipes so decided to get this book. Very happy with purchase and happy to have so many smoothie recipes. Thanks.

Joe Cross recipes are great and the ingredient index in the back is very helpful. Better lamination on each page in the future please...not so easy to flip but worth having.

Love the smoothie recipes!

There are so many recipes I have to try some not all but some are delicious you do have to have a blender and a juicer to try the recipe in this book
