Prophets And Kings [Illustrated]

Synopsis

The Israelites were not only children of Abraham, they were children of destiny. Heroes like Elijah and Daniel championed God's plan for the world but occasionally the chosen nation strayed to lesser gods. However, remorse always followed and a pursuing Father welcomed them home. Firm in His love. Firm in His discipline. Beginning with the reign of King Solomon and continuing down through the Exile, Prophets and Kings tells this gripping story – the tale of kings and faithful prophets. In bold strokes, it describes the raging battle between good and evil during a crucial period of salvation history. Through triumph and tragedy, it shows God's love for a wayward people and offers a resounding call to heed the prophets they so often ignored.

Customer Reviews

Incredible review of the history of the Israelites during the times of the Kings. David's long years of hiding from Saul and God's constant hand on him. The blessings of David's kingdom - until his fall,

his contrition, and rescue. The glory of Solomon's reign. The Israelites perpetual descent into idol worship and God's repeated rescues. The awful depravity of humans. A grandmother killing ALL her grandchildren!! (Or so she thought) Ugh! And the amazing courage of other humans. Another woman and her husband risking their lives to save one of those grandchildren. a great read!!

There is no doubt that the great God of the universe was involved with the author as she wrote these words!!. What wonderful trip and home He preparing for and He says He going to take us there! Soon, I hope!!

This book covers the bible from Genesis to the end of 2 Samuel. It opens your eyes to hidden gems of scripture by referencing other related scripture passages that you might not have thought of, and by applying the scriptures to the reader's own life. I highly recommend this book and all of the other books in the 5 set Conflict Of The Ages series.

The book was sold as a new edition but upon receiving the item, it had a used sticker on the back in addition to other defects. This is false advertising. Next time do a better job of inspecting the items you list for sale.

A must read!

This is book two in a series of five books, and it is a great devotional book. If you are reading through the Old Testament, especially through the prophets and the kings of Israel, this book will clarify a lot of the questions that come up as you read. The book before this is called Patriarchs and Prophets, which is also an excellent resource.

All of E.G. White's books are outstanding. They are definitely Bible based. She died in 1915 and it is amazing how we are seeing the things she writes about coming true today. Another of her books "Great Controversy", is the story of good verses evil and is about what is happening in the world today, almost 100 years after her death.

One of the companion books to Patriarchs and Prophets by E.G. White. Another Excellent read. Read and understand the history of this world. The entire set of the Conflict of the Ages series tells the story of where we began and where it will all end. This book along with others in the series are

exciting reads.
