Synopsis

Includes the following titles:

- How to Improve Your Memory and Remember Anything (A Very Easy Guide)** Ever wondered how some people have fantastic memories, while you struggle with your phone number? Amazed at how 'magicians' are able to remember the order of a shuffled deck of playing cards? This book will give the answers and show you how you can do them too!
- How to Unleash Your Creativity (Very Easy Hacks for Huge Boosts in Personal Creativity)** Begin to unleash your creativity. Starting today. Chapters on collaborating with others, taking ideas from outside your craft, "incubation" and the subconscious, and much more.
- How to Speed Read (300% Reading Speed Improvement in Hours)** This book will vastly increase the speed at which you read. Within hours you will be able to at least double, probably triple your reading rate.
- How to Learn a New Language (20+ Hacks for Rapid and Easy Language Learning)** Contains chapters on leveraging audio courses, using a personal tutor, the importance of feedback, shortcuts to fluency, and more.
- How to Take Great Notes Quickly and Easily (40+ Tips and Tricks)** Unsure as to whether you are taking notes which cover everything they should? Unable to write notes fast enough to keep up with your teacher? This eBook will give you the answers and much more!
- Exam Success (How to Get the A Grade the Easy Way)** Straightforward principles and ideas on how to get the best grade you can. Essential reading for every student.
- How to Write a Great Essay in 8 Hours or Less** A step-by-step guide on how to write a great essay in 8 hours or less. Covering how to go about researching, planning, writing, and everything else you need to know to write a great essay.
- How to Think Like a Genius** Ideas and techniques on how to think like (and how to become) a genius. Bring genius-like brilliance into your life. Starting TODAY. Become an autodidact, re-frame failure, genius projects, and more.
- Focus: Total Engagement, Concentration, and Time Management** Learn how to manage distractions like a pro, work with technology (and the internet) effectively, as well as a powerful technique to guarantee MAXIMUM focus!
- How to Give an Amazing Presentation** Wow your peers with the TED talk quality of your presentations. This book is packed with principles and techniques.
- How to Type Fast (Touch Typing the Easy Way)** A very easy guide on how you can massively increase your typing speed by learning how to effectively touch type.
- How to Sleep Incredibly Well** A no-nonsense guide on how you can have the best sleep of your life. Essential reading for everyone - students and professionals alike.
- Better Habits (Make Habit Change EASY)** How to improve your habits for a better life. This is probably the easiest route to mastery. Exercise, learning, and financial goals all just got easier to reach.
- SMART Goal Setting (A Complete Guide for Massive Success through Goal Setting)** A complete toolbox which will enable you to create your own SMART goal setting system for maximum results.
- How to Study (What You Wish They**

Taught You in School) Ideas and techniques to manage your study time and succeed in your studies. (This book is included free when any of the other books are bought individually. Yes, I like giving things away for free!) Ultimate Mentorships (Advice for "Fast Lane" Success in Life) How to find and recruit an excellent mentor, and then fully utilize their help for maximum achievement in any field. Instrument Mastery (20+ Hacks for Easy and Fast Instrument Learning) This is essential reading for anyone who plays an instrument or thinks they might like to. Don't waste your time. Get great - FAST. And two more titles

Customer Reviews

Unimpressed, nothing new and all common sense you learn as a child.

I love this book. It sooo simple but yet good. The price of it is really cheap for the value.

These books are a must have for an accelerated learner, I've already recommend these books to my family, and have enjoyed the concepts of illustrated forum of lesson that was given.

Awesome book

Good for the price.

Product as described and shipped promptly

Great Value! I reviewed them and the books seemed like any other on the respective topics. A really great value being bundled altogether.

Not much. I have read this before in many books zI be read and looked threw
