# Day Trips From New Orleans: Getaways Less Than Two Hours Away (Day Trips Series)

## Synopsis

Day Trips RM guides take travelers to dozens of wonderful destinations with attractions ranging from museums and arboretums to theme parks and micro-breweries. They also include all pertinent information on dining, shopping, and even lodging, should readers decide to really play hooky! Listings for each day trip will be fully updated in each new edition, including what to see and do and where to eat, stay, and shop. New Orleans is a 300-year-old city blessed by historic architecture, centuries-old French, Spanish, and African cuisine, and rollicking jazz born in the wee hours of the 20th century. From the remote, time-warped fishing villages of Shell Beach and Delacroix island in lower St. Bernard Parish to the melange of barge casinos, water parks, and oak tree framed shoreline homes of the Mississippi Gulf Coast, this guide offers more than 25 fascinating excursions.

Shipping Weight: 14.4 ounces

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,739,403 in Books (See Top 100 in Books) #27 in [Books > Travel > United States > Louisiana > New Orleans](#) #1119 in [Books > Travel > United States > South > West South Central](#) #1158 in [Books > Travel > United States > South > General](#)

## Customer Reviews

Enjoy a welcome change of pace and discover a world you may not know exists in your own backyard. Day Trips describes hundreds of fascinating, exciting (and many free of charge) things to do, most within a two-hour drive of New Orleans. Explore the beautiful Gulf Coast beaches of Mississippi. Learn to dance the two-step at the Friendly Inn Cajun Dance Hall in Lafayette. Paddle a canoe along the palmetto-framed bayous in Barataria. Each day trip includes travel directions, destination highlights, other places to visit along the way, choice restaurants and lodging (including price ranges), shopping, and much more. (5 1/2 x 8 1/2, 240 pages, maps)

Discover the real Louisiana history, culture and more James Gaffney's Side Trips from New Orleans opens the door to great same-day adventures from the Crescent City. New Orleans is far more than the French Quarter and this neat book gives reason to visit the city for four or five days so to discover the bayou country, the culture, people and history an easy drive from the city. To me, this book is a 'must' when considering a visit to the Big Easy, and a fine reason to stay longer to discover far more. Leonard J. Hansen, Journalist, Travel Writer and Author

If you are visiting New Orleans for a week and want to see where the locals visit on their day trips - this is the book. The author has done a great job mapping out fun trips for anyone with a car. If you have just moved into the New Orleans area - get this book. The author really covered a lot of territory; and it is fun reading. I am on my 3rd copy - I buy the book, "lend" it out, and then have to buy another one, etc.

An excellent guide to what to do when the spirit moves, the time allows and the the journey means as much as the destination. A well-written, delightful read. ~Candace
