Enduring Faith - An 8-Week Devotional Study Of The Book Of Hebrews

Synopsis

Do you hunger for spiritual “meat” that will help you grow as a Christian? Enduring Faith, an eight-week Bible study, delivers the perfect balance of in-depth study and manageable, quiet-time reading. Written in a devotional style with real-life examples, each day’s reading is paired with discussion questions and space for journaling. You’ll answer questions like: * What’s the difference between blind faith and enduring faith? * How can I rest when my schedule is so hectic? * How do I respond to the tests I’m facing right now? * Am I trying to please God by following rules or by living by faith? Christ’s work is final, complete, and perfect. You don’t have to live under the bondage of a religious approach to God. Instead, enjoy liberty in Christ through a more intimate relationship with Jesus.

Customer Reviews

While reading this book it made me realize how many excuses I make for EVERYTHING. I try to make everything in life work or try to fix everything that is wrong. In reading this devotional I have learned more and more of what I have already known, but the fire has been lit under me again, that I can't do anything...it is all God. I need to be doing my quality time with God or I am NEVER going to be successful in anything that I believe should be fixed or done. It is time for me to stop and realize that life is going to happen NO MATTER WHAT, but I must give my time to God before I even start or end the day. My family will be better because of my obedience to God. My relationship with Him has to be number one before anything else can matter.

"Enduring Faith" by Nivine Richie is a wonderful devotional book. The author takes scripture outside of Hebrews and personal stories to help deliver the message. There are work pages to help you think about the lesson and consider areas in your own life. This would be a good book for a church Bible study or an individual.

I have enjoyed this study quite a bit. I am still in the middle of the study, but each day's offering is great! I am doing it alone in my home, but I think it would be even better in a small group setting.

This devotional really helps to strengthen my faith !

Great for an individual study or a group study. This study is thought provoking and provides the right amount of homework.

I'm using this book as a personal study & my husband as a reference for his teaching of Hebrews. It would also be a great group study for a church. I highly recommend this one!

Just didn't care for it at all. Hard to follow and not well written. Sorry.:(

This is a book that focuses on building your faith in Christ through an eight weeks Bible Study of Hebrews. The format is simple. The reader must first prepare by reviewing the scriptures; than answering the questions in each chapter. It is not complicated nor very long. It is meant for the reader or study group, to meditate on the Word of God, by preparing for the discussion ahead of time. Here is a quote I liked: "Today's passage in Hebrew describes us--the body of believers--as the house that Christ built. His (finished) workmanship. Moses was worthy of honor, but he was only a

member of God's household. The true architect and builder is God himself. The real honor goes to Jesus."
