Very nice looking case with pen holder and a zip space at the back

Love this Bible cover. Fits my Bible perfectly. My Bible is also from Zondervan. It is the " personal size " study Bible.

quality is nice and like the inside and outside pockets. it was just too small for my Ryrie Study Bible. I couldn't get the cover to close. I returned for a larger cover.

This Bible cover is handsome protection for my NIV study Bible. I think it looks nicer than this picture.

The material is so distressed that there is actually more white than brown on the case. This gives the appearance of extreme wear to the point that it looks beat up. Bought it for my husband for his birthday so I'm a bit disappointed. It does fit his bible but the case just looks cheap. Not sure if he'll end up using it at all.

Nice, but sizing is misleading

Super quality - easily fit my bible - "Complete Jewish Bible" - leather feels like it's really great ... should stand up to daily use easily ...

Nice bible cover that looks nice, too. I wanted a cover that would fit an old bible I have, and this one worked well. It's a little bigger than I needed, even at a medium size, but I still like it better than anything else I was able to find.
