## Customer Reviews

Breakfast Recipes: 400+ Easy & Healthy Breakfast Recipes offers a wide variety of ideas for breakfast from easy 3 ingredient recipes to spicy Mexican recipes full of ingredients. We loved the

variety of ideas from simple to complex and that each recipe offered alternatives to ingredients to match the recipe to individual tastes. I would recommend this eBook full of recipes to add variety and tempt family members to eat a good healthy breakfast.

Not a bad book but this one just didn't titillate my taste buds. Some people might find it useful.

This book has a lot of great recipes most of them are easy to use and taste really great.

Chef /author Nancy Kelsey has many books to her credit and our enjoyment " CROCKPOT RECIPES, PALEO SLOW COOKER, MEATLOAF RECIPES, GLUTEN FREE BREAKFAST, SMOOTHIES FOR WEIGHT LOSS, SLOW COOKER BREAKFAST, QUICK AND EASY RECIPES, LOW CARB CHICKEN RECIPES, SEAFOOD RECIPES, EGGS FOR BREAKFAST RECIPES, SLOW COOKER, PRESSURE COOKER RECIPES and now she adds BREAKFAST RECIPES: 400+ EASY AND HEALTHY BREAKFAST RECIPES. She has covered the spectrum of quick but healthy and nutritious meals. Without the need to explain or define or defend the well-known and accepted concept of starting the day with a nutritious healthy breakfast, Nancy simply opens her book with 450 of the breakfast recipes she considers to be the most delicious. Her list of recipes is far too long to list in a review, but the categories into which she offers her ideas give a sense of what to expect: All 3 Steps or Less, Low Carb Breakfast Recipes, Quick and Healthy Recipes, Crock Pot Breakfast Recipes, Eggs for Breakfast, Vegan Recipes, Southern Breakfasts, and then she adds a bonus of 40 easy Crock Pot Recipes. All recipes are presented with ingredients, directions and even some variations. Nancy is a time-honored chef and her books are always best sellers in the food department. No chitchat here " just fine recipes, and a terrific assortment to keep the family happy. Grady Harp, September 16

I love to try new breakfast recipes and I love that I was able to get this on my kindle for easy reading while in the kitchen. There are a ton of recipes in here, some are pretty similar with some deviations, but got me thinking and trying new things in the kitchen that I never thought to (the slow cooker for breakfast)! Definitely worth a flip through.

It's a great recipe book. I love breakfast. This was a great buy.

chalk full of fabulous recipes you must try out. I've tried out a few of them and am very pleased. Will

be giving each one of them a try. Well put together book of recipes, great images.\* I received this product free or discounted in exchange for my honest opinion

It was free so I got it. Good things to try.
