Face The Music (Diary Of A Teenage Girl: Chloe, Book 4)

Synopsis

Redemption has made it to the bestseller chart, but what Chloe and the girls need most is some downtime to sift through the usual high school stress with grades, friends, guys, and the prom. Chloe struggles to recover from a serious crush on the band leader of Iron Cross. Then, just as an unexpected romance catches Redemption by surprise, Caitlin O'Conner - whose relationship with Josh is taking on a new dimension - joins the tour as their chaperone. Chloe's wild ride only speeds up, and this one-of-a-kind musician faces the fact that life may never be normal again.

Monday, June 13
prepare my heart for the storm / keep me safe, keep me warm / heap those bags, around my heart / build that wall, before it starts / pile them up, and pile them high / keep me safe, keep me dry / before the waves come rushing in / Lord, please, make me strong again

Chloe, Allie, and Laura split their time between "normal" high school life - going to classes, attending prom - and touring as Redemption, a rising new Christian band. When Allie's mom needs to bow out of their summer tour, Caitlin O'Conner fills in as chaperone. And a good thing, too. Caitlin is the perfect person to have around as Chloe's feelings for the handsome lead singer of Iron Cross continue to grow. Amid a grueling concert schedule, Chloe realizes that attraction is a powerful and even dangerous force. But when death hits close to home, Chloe's heart is slammed by another emotion: guilt. In good times and bad, with blessing and temptation, and especially when things spin out of control, trusting God is the challenge. Cause there comes a time when we all have to face the music.

Story Behind the Book
Chloe and her band, Redemption, are being given amazing opportunities, but with it comes the responsibility of serving God wholeheartedly. In this book, perhaps more than the others in the Diary series, Chloe begins to grasp what sort of ministry (not just a music career) that God is calling her to. As an author, I travel a similar road. I am constantly weighing my "art/craft" against what God is pressing on my heart to write, while striving to be authentic and uncompromising.

In the past eight years, Melody Carlson has published over ninety books for children, teens, and adults with sales totaling more than two million and many titles appearing on the ECPA Bestseller's List. Several of her books have been finalists for, and winners of, various writing awards. And her Diary of a Teenage Girl series has received great reviews and a large box of fan mail. Melody has two grown sons and lives in Central Oregon with her husband and chocolate lab retriever. They enjoy skiing, hiking, gardening, camping, and biking in the beautiful Cascade Mountains.

This series has always held a spot in my heart. This book arrived in perfect condition and in perfect time. Great series and a great find.

I started with one Carlson book and my students quickly wanted all I could get I really like the subject matter and they fit the bill for young adult, Christian women.

Boys even read the books. Great teenage stories that draw students to want to read the book. I can't keep the series of books in my classroom. As soon as it's checked in it's checked out by someone else.

The female Christian rock group Redemption is still on. And they have begun to climb the ladder of success but with that comes even more obstacles. Each of them trust the Lord and the plans he has for them. Chloe feelings and attraction for Jeremy Baxter lead guitarist and vocals of Iron Cross begin to grow. And his feelings for her even though he is 21 years old begin to grow as well. A fellow student who use to hate Chloe reaches out to her and sends her emails. Asking her help to find God. However Chloe has a hard time forgiving her for what she did to her. Will Chloe still hold

UN-forgiveness in her heart towards her old enemy? Will the feelings between Chloe and Jeremy get dangerous and out of control. This is the last book of Chloe and will leave you speechless! I loved this book. This is a good book and suspenseful. I couldn't put it down. I'm really going to miss Chloe. Rock on girl!

The female teenage Christian rock band Redemption has begun climbing the ladder of success and even becoming recognized in malls while on tour. However, the trio of high school students, Chloe Miller, Allie Curtis, and Laura Mitchell has other concerns besides the music though they each trust in the Lord to guide them. Allie and Laura wonder about what to wear at the prom while Chloe knows that she really likes twenty-one years old Jeremy Baxter of the Iron Cross band. A fellow student back Harrison High sends emails to Chloe asking for help in finding her way to God. However, Chloe has a difficult time turning the other cheek as Tiffany Knight beat her up a couple of years ago. Will Chloe, who refuses to open the emails, forgive and assist Tiffany on the path as the singer knows God expects of her or will she continue to believe that Tiffany could never find the Lord? This is an engaging young adult Christian novel that follows the trials, tribulations, and beliefs of three young ladies on tour. The story line is predominately told by Chloe, but fans get a deep look at all three teens plus their retinue and the members of Iron Cross. FACE THE MUSIC is a warm tale that brings to life the importance that anyone can be saved if people take a chance on risking rejection by their peers but acceptance by the Lord. Harriet Klausner

i personally thought that the book was very interesting as i really touched me. i was not as lucky as chloe though. the person who died that was my friend was not a christian. i was not really consumed with guilt though i felt a twinge of it. Anyway, enough of me. jeremy and chloe's relationship gets interesting and i really hope to see what will happen in the next diary of a teenage girl-Kim. it is a really good book as chloe matures and you'll see a different side of her as she becomes more feminine. i really loved it and enjoyed it and finished it in 2 hours and have since reread it loads of times. Keep up the good work melody!

I have never read the Caitlin series and I'm not really interested in it..I loved the Chloe series and read all of the books in about a week...I think this book teaches a great lesson and I feel like I can really relate to Chloe. GREAT BOOK!!!!!!
