As a Realtor, I use the map book on a daily basis to get zip code areas and getting more info on what areas they want to see. Had used the 2006 edition all this time, the new 5th edition is so much clearer and the colors are vivid, much easier to see. I keep the oldie but a goodie in the car just in case. And, yes, I do have GPS, but I'll never give up the map book! Ordering was very easy, also and it came in the time promised, thank you!

This is the best street guide for the greater Cincinnati area. It's a must have in every car even if you have a GPS.

Very thorough, but I wish the pages were a bit heavier. The laminated covers and spiral binding help.
