'An unusual and rewarding guide' - Independent on Sunday (London), 'Cadogan are the pick of the bunch' - The Telegraph
The very best series of travel books is the Cadogan Guides, miniature encyclopedias of not only practical information but a treasure chest of information on the places you'll be visiting' - The Tennessean --This text refers to an out of print or unavailable edition of this title.

This guide is packed with ideas - for sampling the best beers and bars, for a romantic weekend or for discovering the architectural gems. It takes you off the tourist trail to the Brussels only the locals know - from smoke-stained drinking dens to intimate jazz clubs. Our expert authors and local researchers give the lowdown on the city, from the stately squares and world-class art museums to the cobbled backstreets. 76 hotels and 120 restaurants and 62 bars, plus clubs, music venues and

puppet shows are all personally reviewed. There are 17 detailed maps, plus 12 pages of full-color maps with grid-references to help you find every sight and recommendation in the guide. You will also find guided walks and itineraries that take you shopping, on an Art Nouveau tour and out to the green oases surrounding the city. (5 x 8 1/2, 304 pages, color photos, maps) --This text refers to an out of print or unavailable edition of this title.

Not a bad book while planning a visit but once there I found it less useful. The maps are awful and some of the recommendations seemed dated. Generally DK Guides are well illustrated and can provide a good feel for a city before getting there helping to focus on which sights to prioritize and this book on Belgium was no exception in that regard.
