# Frommer's Rio De Janeiro Day By Day

## Synopsis

Rio de Janeiro is currently the hottest of all the world's pleasure capitals. In the run-up to 2016's summer Olympics, millions of people will seize the chance to enjoy the great Copacabana and Ipanema beaches, the countless nightclubs where patrons join in a frenzy of Brazilian dances and samba, the restaurants where 'churrascaria' serves you 12 new types of meat (in one meal), and to do all this prior to the time when an avalanche of Olympics visitors will flood into this spectacular city. Our guidebook, Rio de Janeiro Day by Day, is designed to maximize the enjoyment of your visit, by suggesting how to allocate your time and focus on what is truly worthwhile. The best-selling Day by Day guides are famous for improving a touristic visit. In compact handy form, and featuring four-color photos of the city's major sights, these remarkable guides have shown millions how to schedule their time -- and they do that now for Rio de Janeiro.

Average Customer Review: 4.4 out of 5 stars 8 customer reviews

Best Sellers Rank: #301,422 in Books (See Top 100 in Books) #4 in Books > Travel > South America > Brazil > Rio de Janeiro #32 in Books > Travel > South America > Brazil > General

## Customer Reviews

Dutch-born author and translator, Alexandra de Vries has written extensively about Brazil for Frommer's™s and other travel publications. She enjoys sharing her inside tips to explore this fantastic city, encouraging visitors to go beyond the beautiful beaches and experience Rio's™ rich culture and get to know the friendly Cariocas. She is currently based in Rio de Janeiro.

I bought several, perhaps too many, guidebooks for Brazil. This was the one I probably used the most before and while in Brazil. I will probably use it again. It has so much helpful and to the point information. I was able to plan my short stay in Rio better and even augment it with some things my

traveling companions found online. The walking tour section was very helpful and we ended up hitting three major city sights in a matter of hours. Definitely make your way to Gohan after visiting the famous steps and bring an empty stomach.

This was an excellent book to have on hand for my trip to Rio. It was perfect for reading on the plane and the size makes it easy to carry. The pull out map was perfect for knowing where places were and if I didn't want to carry around the book, I was able to just take the map. The sections in the book are very organized and make choosing what I wanted to do in Rio quite easy. Each place within the book has a description, a rating on a five star scale, the website, even an average price. This book was able to give me a great basic overview of the city before arriving along with giving great recommendations for my trip!

Excellent detail to get the most out of each moment. Plenty of maps to get you acquainted with the area. Map in back of book is in plastic pocket and is coated so it will hold up to being used.

This book is great. It breaks it down into what you should see based on how many days you will be there. Very informative and helpful.

This book has a lot of info about the area and travel info that any person would need. Love It!

Good, but awfully generic. Not much for the traveler not into the days on the beach and evenings on the town scene.

A great guide for a brief visit to Rio.

The book was fantastic. It was in very good condition, just as described.
