Synful Dreams [Syn's Playground] (Siren Publishing Classic ManLove)

Synopsis

[Siren Classic ManLove: Erotic Alternative Contemporary Romance, M/M, HEA] Syn Evans was a Dom who believed he had the world at his fingertips. That was until until he'd made the biggest mistake of his life. It had taken witnessing his friends find love and even getting married that made him realize he needed to man up and make amends with the one man who still owned his heart. Even if that meant groveling. PJ had been devastated when Syn had left him, but he'd somehow managed to get over the love of his life. Or so he thought. It wasn't until Syn waltzed back into his life that PJ understood he not only hadn't gotten over Syn or the need he had to submit to his Dom, but he was still in love with him. The only question was, could he find a way to forgive Syn for leaving him all those years ago and find a path for their future? ** A Siren Erotic Romance

Customer Reviews

This book finally lets us know Syn's back story with PJ and introduces us to some interesting new characters whose efforts to find love will no doubt be part of the next several entries. I hope some of the couples from Cedar Falls will pay a visit to Syn's Playground since Florida is not that far away!
