Sentenced To The Punishment Clinic

Synopsis

As the world has struggled in the wake of an economic crisis that brought much of society to its knees, twenty-five-year-old Maria Davis has grown adept at living on the streets and stealing from the homes of the rich and powerful, but her luck runs out when she is caught in the act of robbing the home of a high-ranking government official. Sentenced to a day in the Punishment Clinic, she faces what will be by far the most humiliating experience of her life. She will be stripped naked, intimately examined, thoroughly cleaned both inside and out, and spanked long and hard, and that will only be the beginning. Helplessly aroused and completely on display, she will learn what it truly means to blush as she is brought to one quivering climax after another, and before her sentence is complete she will beg to be taken long and hard in the most shameful way possible.

Note: Sentenced to the Punishment Clinic is not a romantic story and it is not for the faint of heart. It is pure erotica that includes sexual scenes and sexual punishments, extensive medical play, spankings, anal play and punishments, exhibitionism, elements of BDSM, and more. If such material offends you, please don't buy this book.

Customer Reviews

It is a well written story; but should probably be titled "The Erotic Punishment Clinic" as the punishments are much more on the erotic side of the scale. A reader wanting severe punishment will be disappointed; but those seeking mild erotic fun will love the story.

If your into SM/BD and enema punishment, then THIS BOOK IS FOR YOU. It's graphic and makes me wish I was in her shoes, since I'm into things like that. I would enjoy the punishment and get into trouble again, just so I could be punished again and again, it beats going to jail.

I have read through this twice now as I found it very intriguing! It's simple enough but a good fantasy!

if you like some discipline in your erotica, this is for you!

I found this entertaining and enjoyable. I had not read a "punishment" story before. It was well done and a adventure.

I want to read the next book after this I hope it ain't a one hit wonder that would make me sad

Good story for pervs. It definitely kept my attention.

Wow is all I can say I could not put it down it was that good! Thank you so much!
