Inspired By The Little Things - Mixed Media Paintings & Stories

Synopsis

Watch a video preview of the entire book at JulietteCrane.com/inspiredbythelittlethings Inspired By The Little Things is a 140 page book meant to help you stay positive and find inspiration and happiness in your every day. When Juliette was approached to write an art technique book she knew the best way for her to share her whimsical mixed media painting techniques was in her series of online painting courses and inspirational videos that encourage thousands around the world to get creative and stay inspired. What she longed to create was a book that beautifully combined her mixed media paintings and the uplifting stories that accompany each piece, so others could take that everyday wisdom and find joy. This book features her artwork and writing from 2009-2013 and also offers a glimpse into the more personal moments of Juliette's life, with wisdom and heart-centered stories that remind her to stay inspired by the little things. Also included is a link to a 20 minute video, showing the painting of the book cover from start to finish.

Customer Reviews

Juliette Crane is the creator of a series of online painting workshops that encourage thousands around the world get creative and live their dreams. She is a full time artist, storyteller and adventurer, spending as much time as possible painting outside and being inspired by the little things. Her work has been featured in Glamour Magazine, Oprah.com, and Stampington & Company publications. More of her artwork can be seen at JulietteCrane.com.

Like many reviewers, I would really have liked to have some technique/instruction in this book, but I

knew going into the purchase that it didn't have any. I just love Juliette Crane's work so much that I knew I would enjoy looking at a print gallery of her work, and I have. Once you've taken a few of her classes, you can look at the illustrations in this book and see how she achieved certain effects. I hope she will publish another book in the near future - a teaching book with project step-outs!

As stated clearly in the description above, this book is NOT an instructional book. It is a gallery of Juliette Crane's work. It is a lovely book featuring her art. If you like her art, you should enjoy this book.

What a great inspiring book. I can't wait to get to my studio and go to work. Juliette Crane out did herself here. If you get a bit stuck now and then, you need this book.

Thanks very much!!

how lovely! how fun!

Eye candy galore! I love it!

Great book with an abundance of ideas.

Lovey book , of her work.
