PreSÃ¢â¬â•Two mini adventures of Cat the Cat by the cartoon master Willems. In the first book, Cat asks various animal about the sounds they make, and toddlers will love to chime in on the woofs, peeps, and moos. But when Bunny the Bunny tries to add his voice to the chorus, the animal friends have to read his body language to identify what he needs. In the second offering, Cat announces that it's time to sleep, and all of the animals are on board and well into their bedtime routines, until she comes to the Owl the Owl, who is wide awake. Fun, engaging artwork and clever surprise endings are the hallmarks of these little gems.

Ã¢â¬Å"These perfect read-aloud books use early learning concepts in a way that will delight young children and keep them laughing.Ã¢â¬Â• (Julie Aigner Clark, creator of Baby Einstein)Ã¢â¬Å"[Cat the CatÃ¢â¬â„¢s] personality sparkles in expansive gestures and gleeful interactions.Ã¢â¬Â•

I was looking for board books to read to my daughter and discovered this. I ordered it without knowing the contents. Fortunately, it did not disappoint. My daughter loves cats and likes this book a lot. It is also fun to read (a plus when you are reading a book for the 50th time). It is a short and sweet book. Cat the Cat has four friends: hound, chick, cow, and bunny. She talks to each friend ("Hound the hound, what's your sound?") and they respond with their sound until it gets to the bunny, which is fun to try to imitate. In the end they all hug.

Great for toddlers With short attention span....you can turn the pages really fast and the pages aren't over busy....wish they had more than just three animals and sounds in the book.

Good

My 11 month old has loved this book for months now! If he hears me reading it he comes running from the other room. It is the only thing that gets him to sit down for more than a couple of seconds. The pictures are simple so they aren't overwhelming. He loves seeing and hearing the different animals.

Preschoolers LOVE this series, and it's great to encourage reading.

Adorable! Cute with a twist of humor, like most Mo Willems stories.
