Synopsis

NOTE: Used books, rentals, and purchases made outside of Pearson. If purchasing or renting from companies other than Pearson, the access codes for the Enhanced Pearson eText may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This package includes the Enhanced Pearson eText and the bound book. A classic work offering the most comprehensive exploration of how to teach students with mild/high incidence disabilities. This widely popular text combines the work of authoritative experts to present the most comprehensive exploration of how to teach students with mild/high incidence disabilities, including learning disabilities, mild intellectual disabilities, emotional and behavioral disorders, and students experiencing learning problems in the general education classroom. With a focus on effective instructional practices that can be used in diverse, inclusive educational environments, and balanced coverage of elementary and secondary strategies, it presents the latest changes in the field and ensures currency and applicability to contemporary education for preservice and in-service teachers. In addition to two chapters on general curriculum and instruction information (one new to this edition), the book also includes chapters on classroom and behavioral management, oral language instruction, reading, writing, mathematics, social studies, science, study skills, social and self-determination skills, applied academics, and career and transition considerations. The Enhanced Pearson eText features embedded videos, check your understanding quizzes, and interactive learning modules. Improve mastery and retention with the Enhanced Pearson eText The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.* Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.** Affordable. Experience the advantages of the Enhanced Pearson eText along with all the benefits of print for 40% to 50% less than a print bound book. *The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. **The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later. 0134577752 / 9780134577753 Strategies for Teaching Learners with Special Needs, Enhanced Pearson eText with Loose-Leaf Version - Access Card Package, 11th Edition Package consists of: 0134711211 / 9780134711218 Strategies for Teaching Learners with Special Needs, Enhanced Pearson eText 0134575792 / 9780134575797 Strategies

linked in the text provide additional information about specific concepts and strategies relevant for teaching students with special needs.

Edward A. Polloway is the Rosel H Schewel Distinguished Chair of Education at Lynchburg College where he has taught for the last 40 years. He completed his bachelor's degree at Dickinson College and his graduate degrees at the University of Virginia. He is the author of 105 professional articles in special education, learning disabilities, and intellectual disability. In addition to co-authoring the prior 10 editions of this textbook, he is also the co-author of *Teaching Students With Special Needs In Inclusive Settings* (now in 6th Edition), *Language Instruction For Students With Disabilities* (now in Fourth edition), and edited the AAIDD book on intellectual disability and capital punishment. For six years, he served as the editor of *Remedial and Special Education*. He has received the distinguished alumnus of the Curry School of Education at the University of Virginia, the Burton Blatt Humanitarian Award from the Division on Autism and Developmental Disabilities of the Council for Exceptional Children, and the James Hay James Huston award for scholarship from Lynchburg College.

James R Patton is Educational Consultant and Adjunct Associate Professor at the University of Texas at Austin. He received his graduate degrees from the University of Virginia after completing his baccalaureate degree at Notre Dame. He is a former high school biology teacher and elementary-level special education resource teacher and has also taught students who are gifted and gifted/learning disabled. His professional interests include transition, life skills instruction, adult issues related to individuals with special needs, study skills and classroom accommodations. He is the author of over 100 professional articles and co-author of the nine editions of this textbook in addition to multiple other books, manuals, and professional assessment instruments. Dr. Patton has served on the national boards of the Division on Autism and Developmental Disabilities, the Council for Learning Disabilities, and The National Joint Committee on Learning Disabilities.

Loretta Serna is Professor of Special Education at the University of New Mexico. She completed her doctoral degree in child and developmental psychology at the University of Kansas. In addition to her work on multiple versions of this textbook, Dr. Serna was also the principal investigator of the self-determination and integrated settings project and has developed social skills curricula for adolescents and for young children. She has significant experience working with adolescents in both individual and group work as well as with families of adolescents who are at risk for failure. Her research interests include social and self-determination skills for youth at risk, teacher preparation, and curriculum and program development.

Jenevie W. Bailey-Joseph completed her doctoral degree in leadership studies at Lynchburg College in

addition to two prior degrees in special education from that institution and a Master's in language and communication impairments from the University of Sheffield, United Kingdom. Currently, she serves as the director of the Lynchburg College program in St. Lucia. Dr. Bailey-Joseph was a high school special education teacher and a former kindergarten teacher in St. Lucia. She also served in the capacity of special education resource person, conducting in-service training with elementary education practitioners and general education teachers throughout St. Lucia. Her professional interests include early childhood education, self-determination, transition, and post school outcomes for students with disabilities.
