Shattered: The Steel Brothers Saga, Book 7

Synopsis

Ryan Steel is known in Snow Creek as the handsomest Steel brother with the most jovial personality. Now that his busy grape harvest and winemaking season is over, he's happy to spend time with his family and help his brothers, Talon and Jonah, celebrate their impending nuptials. The Steels are taking a well-deserved break from the conspiracy surrounding them...until an unlikely woman and a long-buried secret shatter Ryan's world. Detective Ruby Lee has been on her own since she was fifteen. When her past collides with the Steel family's mysteries, she's determined to find the truth. She has her own issues, and she's not looking for a relationship, despite her all-consuming attraction to Ryan Steel. The gorgeous dark-haired man gets under her skin anyway...and he needs her. Together they explore both of their histories, but those pasts could cost them a future.

Customer Reviews

What can I say about this series besides it's just mesmerizing. This series just gets deeper and deeper into intrigue. Just grab this book if you are reading the series. The cliffhanger will just throw you for a loop.

Ugh!!! This is addicting. It's crazy, sensual, and damn right frustrating. Oh, and excellently written. I actually think I have a love hate relationship with this author!!But the next book will be a great Christmas present to myself!

This series is my favorite of all time, and Shattered is my favorite book of the series-so far! I love Ryan and Ruby's story, and the mysteries in this story just keep getting better and better.. It is going to be a long hard wait for December 26th to read Twisted, the 8th book in the series. Helen Hardt has a way with writing that takes me into the story and makes me feel like I'm there.. Her imagination is incredible to come up with such a story!

Omg!!! Wow this series .. I want more I cant wait for the next book .. hurry up !! Wow the steel brothers !! I hope they all get a HEA!! Oh Ruby!! Can you say book hangover!! Wow just wow

Helen has done it again. Everytime I think I have figured it out there is a new twist to the story. She pulls every emotion out and I can't wait for Twisted!

Helen, you have done it to us again. This story just keeps getting deeper and more intriguing. The wedding's were great and the Ryan and Ruby story is great.

I love this story, but this is a money grab! These books could have easily been done in 2 books. The author is just making us pay about every 200 pages. This is a terrible trend.

I can't believe this story can get any better. But wait this is a Helen Hardt story !!?? I can't wait for the next book !!
