## Customer Reviews

The Farmer's Wealthy Bride is a nice story. It follows the other Beatrice Bertha stories. If you have read other Beatrice Bertha you know that she likes to be called Big Berths. She uses scientific methods to choose the husband and wives that match. I am enjoying these stories , I hope you will also!!!!!!

A young lady loved her Dad , her step-Mother was jealous and talked her Dad into sending her away to be married. A woman she didn't know came and took her to meet her groom who wasn't wealthy at all, he was a Farmer who was expecting her to clean and cook like a maid. A great book to read and enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

Very short novelette. This is a quick read good for just before bed story. It is a clean romance suitable for younger readers.
