The Case Of The Brokenhearted Bulldog (The Thousand Islands Doggy Inn Mysteries Book 2)

Synopsis

Suzy and Josie, owners of the Thousand Islands Doggy Inn, are attending an end-of-summer party and about to receive a sizeable charitable gift from one of their good friends, a local businessman with a love of dogs and a reputation with the ladies. A newly built yacht about to embark on a trip to Florida via the Inland Waterway is one of the party highlights, but when the engineer is killed, and Jackson, the Clay Bay Chief of Police, ends up in critical condition, the yacht becomes the focal point of the ensuing murder investigation. In addition to trying to solve the murder, Suzy and Josie are forced to deal with a variety of other problems and distractions. Jackson's bulldog, Sluggo, is despondent and not eating. And as Jackson fights for his life and attempts to recover from the attack, Suzy's mom begins a new relationship she believes has the potential to go the distance. And if that weren't enough, when Chef Claire threatens to take a new job out of state, putting a serious damper on the quality of food served at the house, Suzy and Josie are pushed to their limits. The Thousand Islands Doggy Inn Mysteries features two of the smartest and funniest lead female protagonists to hit the cozy mystery scene in a very long time, and Suzy and Josie's affection for food and their boundless love and devotion to their dogs puts this new series in the Don't Miss category. The Case of the Brokenhearted Bulldog is another fast-paced and funny cozy mystery installment in this series that affectionately focuses on dogs, food, and the natural beauty of the Thousand Islands region.

Customer Reviews

I really liked this book for many reasons. It has two very likeable main characters. It has dogs. The other characters are likeable too. I especially like Suzy's mother, she has a spicy personality with a touch of real class. The book has food and a chef who creates dishes that sound divine, I'd love the recipes. The mystery is interesting and keeps you guessing. I just totally enjoyed this book because the writer makes you feel like you're really there, one of the friends who gets to experience two good friends living in a town I'd love to be in and not only helping animals but getting to tag along while they eat, visit, explore, and investigate a murder, or two. It's a great time being had by all.

BR Snows Thousand Islands Doggy Inn Mystery series is a great fun read. Two ladies own the Doggy Inn, one is a vet who can't seem to get enough to eat! Some of the rescue dogs, end up staying forever, I love that Suzy takes such good care of the dogs, she loves everyone of them. The mystery is someone is killed on a yacht, and Suzy and Josie help solve the murder, Chef Claire is going thru a crisis, But thank goodness it ends well. Such enjoyable light reading. Next is: The Case of the Caged Cockers. Hope it will be out soon.

I have really enjoyed this series and I have already enjoyed the next in the series "The Case of the Faithful Frenchie" which I also highly recommend if you like food, dogs and likeable characters and a tight little mystery.

Cute story liked the setting and characters.

Possible Spoiler Another murder mystery taking place in Clay Bay. This one plays on the rich history of the "Bootlegger". A modern version of the desperate exploits of the modern smuggler. And what that "rumrunner" is capable of doing when cornered.

I would recommend this book to every one that loves dogs and mystery. I enjoyed every minute of reading it.

Love the dogs

couldn't finish the book. did not hold my interest at all as a love story, as a 'who dunnit' or as a lover of animals and dogs
