Customer Reviews

A well-balanced elementary teaching method for the C soprano and F tenor recorders. For Baroque fingerings. Elementary Recorder Method gives you a well-balanced elementary teaching method for C soprano or F tenor recorders. Baroque system.

This is a straightforward, practical, economical book that introduces children and adults to recorder playing. It's not fancy but that's good--I'd rather have a book that gets right to the point, is systematic, says and shows just enough, with good tunes. It walks a beginning player through all the necessary knowledge of notation, fingering, technique, exercise and repertoire without distraction and very clearly up to the point of easy duets and ensembles. And no one can complain about the reasonable price and light weight!
