Bringing Home The Light: A Jewish Woman's Handbook Of Ritual

Synopsis

Ceremonial words and scenarios based in the stories and traditions of sacred Jewish rituals, for women seeking to celebrate their lives and religious heritage. Many women have in recent years reclaimed the beloved seder ceremony of their childhoods, inspired by the groundbreaking Women's Haggadah originally published in Ms. Magazine. Now E.M. Broner, co-author of that Haggadah and an eloquent authority on the meaning and necessity of ritual in our lives, summons her vast experience in creating and adapting traditional Jewish ritual and ceremonial texts to create this unique spiritual sourcebook. Elegantly weaving personal memoir and community experience, poetic recitation, and practical suggestions, *Bringing Home the Light* offers thinking, seeking Jewish women an accessible handbook for bringing ritual and ceremony back into their lives, whether celebrating the traditional Jewish holy days or creating a sacred, empowering ritual around an important passage in their lives as women.

Customer Reviews

"She frees the rituals from their matrix, so we can all see and use and enjoy them."

Ceremonial words and scenarios based in the stories and traditions of sacred Jewish rituals, for women who seek to celebrate their lives and religious heritage.

This was an interesting book. This book was read by my wife. She said that the healing rituals were quite good and also the rituals of loss of a loved one. She said that the book is divided into spring

summer fall and winter Moon Rituals and Rituals at the wall, among others. She said that it is very Feminist, Wicca New Age in format, and is much like books written in that genre. Although she was looking for more of a traditional view she found the book quite good.
