Synopsis

Micronesia - the collective name for the Caroline, Gilbert, Mariana and Marshall Islands - covers the vast area of the Pacific between Hawaii and the Philippines. This guide informs the reader how to get there, get around, save money, stay healthy and evaluate specialty tours. The guide presents a wide range of accommodation and dining options, outdoor recreation, as well as the author's running commentary on the turbulent history and politics of the region. David Stanley has spent much of the past three decades on the road. He has crossed six continents overland and visited 181 of the 193 United Nations member countries. His travel guidebooks to the South Pacific, Micronesia, Alaska, Eastern Europe, and Cuba opened those areas to budget travellers for the first time. --This text refers to an out of print or unavailable edition of this title.
