Best Sellers Rank: #1,245,298 in Books (See Top 100 in Books) #31 in [Books > Engineering & Transportation > Transportation > Ships > Boat Building](#)

Customer Reviews

Book by Klingel, Gilbert C.

GOOD

Gilbert Klingel is the MAN!

This is a well written and lucid book about steel boatbuilding. I am building a steel ketch and frequently refer to this book. The description for welding plates on the frames is outstanding. If you like boats and your are technically inclined you will get a lot of very useful information about tools, techniques and methods for building with steel.
