# The Cruising Guide To The Leeward Islands 2014-2015 Edition

## Synopsis

This thirteenth edition covers the islands from Anguilla to Dominica, and is an essential tool for all cruisers sailing this region. Chris Doyle spends months sailing these islands to update each edition. Included are over 100 up-to-date color sketch charts, full color aerial photos of most anchorages, island pictures, and detailed shore-side information covering services, restaurants, provisioning, travel basics and island history. Information is linked to the author's website where you can download the GPS waypoints given in the sketch charts, learn of essential updates, print town maps, and obtain links to local weather, news, and businesses.

## Customer Reviews

I spent some time in St. Martin recently and made passages to Anguilla, St. Barth's, Saba, and Statia using this book. This guide was essential to the trip. In conjunction with charts, experience, and local knowledge, you could plan a few weeks' cruising. I saw a couple other cruising guides and while good, they don't compare to this one. It's a must have.

Well, there's not much to say, when you have to review THE ONLY guide on the market. Also, by definition, you couldn't say much about the whole book. The region is pretty vast and unless you "live-on-board", there's no way you can say something valuable about the whole book. So, I'll concentrate on my own experience, which is covering Anguilla, St. Martin and St. Barth with its surroundings. I've just returned from St. Martin after a week of sailing and have to admit that despite

a few, obviously "out-of-date" notations, all the info provided in the Guide is quite accurate. As the old motto goes, "don't leave home without it."

Clear, informative, useful photos of harbor entries - its a good compromise for the variety of users of a guide like this. I'm planning a 1 week cruise in the Renaissance Islands and will keep the rest of the guide for future trips!

This was very helpful. However we found that some of the restaurants listed on Antigua were no longer open and/or no one had heard of them. All in all I wouldn't go without the guide!

Lots of good info. Use it all the time. I've used it so much some of the pages are starting to fad and dogear.

I am planning a 10 week cruise down through the Leeward islands and this guide is just absolutely perfect for the job, thank you very much.

Can't sail in the Caribbean without Doyle. Wish he wouldn't push his advertisers so blatantly, but I guess that's part of the business model.

well written & informative, a great aid to navigation & local info
