Special Agent Max West has been avoiding relationships or affairs of the heart for quite a while. But when Katerina Garwood comes into his life as a possible suspect in his case in Northern California he doesn't expect she'll win him over. She's young, (22 to his 33), naive and her former fiancée is

the criminal he's investigating. How can he believe she's not involved in the criminal activity, as she purports? But as Max and his K9 partner, Opal, keep saving Katerina from explosions, threats on her life and a stalker he starts to realize she's as innocent as she says. She's also pretty, smart, fearless and honest. Max, who's an experienced, responsible, good looking FBI agent fights the attraction, but it's a losing battle. Now he has to win the battle to protect his woman.

Katerina made the mistake of dating and becoming engaged to a criminal. When his true identity came out, Katerina's father disowned her. FBI Special Agent, Max, was sent to a small town in CA on tips of seeing a missing agent. Max is always with his K-9 partner Opal, a bomb sniffing boxer. Katerina is a person of interest, who Max follows to her dad's ranch. When she's nearly killed by a bomb, Max begins to wonder about her involvement. Is she a victim or part of the criminal faction? Of course, she says she's just a victim who was being used by her ex-fiancé. Through all the turmoil, Katerina's trust in God never wavers. Are the accusations false or is she lying? This is a great series and this story is one of the best! I'm looking forward to reading the other books!

A bit less action than the previous books in the series, but I enjoyed it none the less. Loved the humor between Max and Katerina. Max nor Katerina wanted to put themselves out there to love again. Katerina had fallen for a con man and Max had lost his fiancée in an accident. God had different plans for these two. This story had attempted kidnapping, attempted murder, and a few explosions. Cannot wait for the next book in the series.

So far all the books in this series are very well written. Valerie Hansen is very good. All the books flow. I had a feeling what was going to happen with Jake was going to, but didn't know the reason why. You learn bit by bit, but until the last book, you don't really understand why. A great read!

This is a good mystery book on its own and as part of this K-9 series. I've found the info about K-9's interesting as I learn more than I've known. The continuous reminders of how we can use our faith on a regular basis are welcome!

Special Agent (Classified K-9 unit) - I have read all 5 books in this series (each a stand alone book). I loved every one of them! Plenty of action, suspense and some romance. Hope to see more K-9 stories.
