What do you do when your four year old granddaughter is spending the night and forgot her bedtime story books? You download one and read from your iPad! Matilda is a princess, just like my precious granddaughter, and Katie loved the fact that Matilda had a great adventure. The story had so much impact, she even described Matilda's story in detail to a sweet high school girl sitting next to us as we waited for a theater show to begin - two weeks later! My only reason for not giving this adorable story a 5 is because of the lack of pictures. We ended up using our imagination and drawing some pictures the next day, but we would have loved to see Matilda and Sparkle with more pictorial action.

Totally disappointed in this book for \$7.99. It is small, flimsy and has 0 illustrations.

Bought for a granddaughter. She enjoyed . Thank You

Just as described. Love i

Think this nice book

This story tells how to trust in people that appear to be bad people. Easy to read for a 2nd grader.
