Customer Reviews

I gave this as a part of a birthday gift for a 2 year old. The binding was torn slightly but nobody really noticed - it was too late for me to make an issue of it before the party.

My 3 year old is not crazy about books, but she loves this one! It has a lot of content for a board book. Great illustrations and super cute sing songy type dialogue.

Cute little book I bought for my toddler. Very happy with purchase. Came in perfect condition and arrived on time. It's a durable material so I don't have to worry about pages tearing easily.

Very nice board book. I bought it as a gift for a mermaid themed birthday party.

Cute and whimsical rhyming book. My two year old loves it!

My daughters loves this book! One is 5 and one is 2. The 5 year old looks and reads it in car.

perfect for a gift!

Perfect gift item!
