Dorothy (Orlan Orphans Book 7)

Synopsis

Dorothy Sanders absolutely adores her life in Nowhere, Texas with her sisters and their devoted, eccentric adoptive parents. When she is hired by a young lawyer to do his bookkeeping, she is immediately drawn to his sharp intellect and good looks. Carter Reeves simply wanted a girl to help out with his filing for the summer. He wasn't looking for love, and he certainly wasn't expecting it in such a wholesome young woman like Dorothy. He intends to marry her and bring her back to the city with him, but Dorothy never wants to leave. Will they find a way to be together? Or will Carter leave after the summer is over and never look back?

Customer Reviews

5star review because that's all they let me give. Wonderful read. This is as heart warming story of orphans, family and love. I highly recommend. Happy

Reading

It is great to have clean happy ever after book. Dorothy and Carter have problems they had to find solutions but family life is so important.

This is a great short read by Kirsten Osbourne! Dorothy is one of 18 orphans who have moved to Nowhere and finally found love. She was adopted by Cletus & Petunia Sanders. And loves the town of Nowhere, she loves the country and her family. When Carter asks her to marry him and move back to Austin Texas with him she refuses his proposal. She just can't stand the thought of leaving her family, all her orphan sister's & her brother's in law, and nieces and nephews. But after the court case they are working on is won and Carter leaves to go back to Austin, he has an axle break. And winds up back in Nowhere, he realizes how much he enjoys the country. When Dorothy opens the door at her sister's house to find a drowned wet, muddy Carter. She is surprised to see him. He realizes he loves Dorothy and he doesn't want to be without her. He asks if she will marry him and go back to Austin, she refuses him again. So he proposes again and tells her he will relocate to Nowhere and they can live there. She accepts and they are married the next day at the church picnic. Petunia is so upset when she finds out once again she doesn't get to plan the wedding of the century. But is content to know Dorothy has found love. I highly recommend this book!

Part of a Series: bk7
Setting: Nowhere Texas
Hero: Carter - A Lawyer from Austin ,loves the city,not happy being in Nowhere, hates country life. He has a strong work ethic/ workaholic.
Heroine: Dorothy- Living with her adopted family loves the country life and being near those she love.
plot/storyline:4.5* - She works for him as his secretary for the summer instant attraction but they have different
Ending-4.5*- A sweet HEA. Poor Edna Petunia :)
Reading Enjoyment:4.5*
-Overall rating:4.5 -(out of 5*)

I have enjoyed each book in the series thus far so I was thrilled to discover a new release. I enjoyed the conflict of home vs. love and wondered how it would be resolved in order to have the happily ever after that I expected. Also, I loved catching up with the couples from previous novels. My only complaint is that Edna Petunia didn't seem as unpredictable or crazy. However, there was still some of the laughable goofiness included in this book.

As a new lawyer from Austin, Carter comes to Nowhere, Texas seeking background information for his case. And with Dorothy's (one of the fifteen orphans from Orlan) help, he finds not only what he needs, but love and a whole new family. Once again, Kirsten Osbourne brings a new and exciting twist to her Orlan Orphans series. If you've missed any earlier stories, start with "The Matron", the book that began all these adventures.

Another of Edna Petunia's bastards is in love. Falling in love with a man with what seems to be a one track mind, to win his case and move back to the city. A must read to find out if love will prevail. Loved this story, highly recommended.

A fun quick read about another one of the "bas****s" falling in love. Will Edna Petunia finally get to plan a wedding at long last??? Enjoyable till the very end!
