The Rescuer

Synopsis

Stephen O'Malley is a paramedic who has been rescuing people all his life. But he's running now -- from the burden of his profession, from the grief of losing his sister, and from a God he doesn't want to trust. He's run into a mystery. Stolen jewels are turning up in unexpected places, and his friend Meghan is caught in the middle of the trouble. Stephen's about to run into a night he will never forget: a kidnapping, a tornado, and a race to rescue the woman he loves ... --This text refers to an out of print or unavailable edition of this title.

#94 in Books > Audible Audiobooks > Fiction & Literature > Short Stories #255 in Books > Literature & Fiction > Genre Fiction > Religious & Inspirational > Romance

Customer Reviews

Stephen is the last holdout. The obstacles to him accepting Christ are centered not on the truth and validity of the Bible - he has come to believe. No, for him the obstacle is whether he is willing to pay the price of following Jesus. He has too much integrity to be a lukewarm Christian, and he thinks he will have to follow a bunch of rules he would only fail to keep. He is afraid of trying to be a Christian and failing, disappointing God and disappointing family. He has trouble believing the God of the universe really wants a personal friendship with him. His journey is compelling and very believable. It gives me a lot of insight into a powerful stumbling block. Oh, and the sub-plot, considered by many to be the plot, is fascinating. It is the only Dee Henderson book in which too many of the details are left to the reader's imagination. How did Jonathan get the initial photos of the jewelry and how did he get the women to wear those exact pieces of jewelry a second time without raising any suspicions?

This was one of the best book series I have ever read. Serious. In this book we finally get to read Stephen's story; he is the paramedic of the O'Malley family. After what happened in *The Healer*, Stephen decides he needs to get away and think and decide what he really wants to do with his life. He does a lot of soul searching and ends up in the small town of Silverton. There he spends some time with an old friend, Meghan, who used to be an ER nurse before a horrific accident took her sight. This was a beautiful story and I loved it and was so sad to see the series end. Please read this entire series from beginning to end, as Dee has outdone herself. You won't regret it!! :)

Like the other books in this series, *The Rescuer* combines romance and adventure in the tale of the search for the ultimate love relationship, that which we may enjoy with Jesus Christ both now and forever. Meghan is a terrific character and love interest for Stephen O'Malley and as with the O'Malley brothers and sisters themselves quickly becomes a friend for the reader. I have this and the other books in the series in paperback, on Kindle and on Audible and they are all part of my list of books I will read over and over again.

Arrived as promised and I love the family story line.

Last in the series of the O'Malley love stories. I particularly enjoy how the author talks to God through the characters as a real Christian does daily when problems or cares come up. This O'Malley bunch has been an interesting lot. It was interesting how they reacted when one of their own leaving for their heaven home. I really enjoy Dee's books!!

Great stories and characters.

Dee Henderson is one of the best writers I have had the privilege to read. I have NEVER been disappointed with any of her works. I have been recommending her for years. This book was one I had let someone borrow and it was never returned so I bought it again. I am working on my 3 time around on this series. Thanks, Dee, for allowing God to use you in this talent!

I have read all of the books by Dee Henderson in the O'Malley series that has been published so far. I am looking forward to reading "Jennifer's Story". This book, *The Rescuer* and the previous book in the series "*The Healer*" helped me with my personal grief journey.
