Osterreichische Galerie-Belvedere, Vienna (Prestel Museum Guides)

Synopsis

The collections of the Austrian Gallery offer the visitor a thorough survey of Austrian art, ranging from the Middle Ages to the present day, embracing many major works from all periods. The Museum of Medieval Art, the Baroque Museum and the extensive collections of 19th and 20th century art, all include small but valuable holdings of international painting and sculpture, housed in the splendid Baroque palace ensemble at Belvedere. This is a guide to these collections.
