How A Scot Surrenders To A Lady (Highlander Vows: Entangled Hearts Book 5)

Synopsis

She was the weakness he could not afford, and the temptation he could not deny. Highland warrior Cameron MacLeod's mission for the king has just gone dangerously awry, and the best chance he has of saving it is the fair-haired beauty he encounters during the ambush. Injured during the battle, the enchantress has lost her memory, but Cameron harbors one of her. Long ago, a seer foretold that this woman had the power to destroy him. He's confident he's not so weak as to succumb to her charms, but the mysterious woman soon proves herself brave, guileless, and after one foolish, searing kiss, impossible to resist. When Sorcha Stewart awakes in a strange place, the only person she has any memory of is the handsome highlander in front of her—and even that memory is hazy. Still, she instantly feels drawn to and protected by Cameron, and he proves her instinct correct with his willingness to endanger himself to defend her. Soon, love ensnares her, and when Sorcha finally recalls her history, she learns she's irrevocably tied to the very enemies the Scot has been hunting. Now that the seer's foretelling is coming true, it's putting Cameron in grave danger. With little time and their futures hanging in the balance, Cameron will have to swallow his pride and seek the help of his renowned brothers, whom he's spent his life striving to be considered equal to, or risk losing Sorcha forever. As for Sorcha, she'll have to break ties with her past to hold on to the wondrous love she's discovered.

Customer Reviews

Love the story. I liked that the story wasn't about them fighting their love. Can't wait to read Lena and Alex story. Great series.

A wonderful story of true love over coming everything else, Sorcha Stewart is involved in an altercation which leaves her with a loss of memory, Cameron MacLeod is the warrior who finds her. He's on a mission to find the culprits who wishes to harm the King, being the youngest of the MacLeod brothers, he feels he has something to prove, will helping Sorcha, aid him or hinder him. According to a prophecy told to him by a Seer, she would be his undoing, but knowing this, he was sure he could avoid it. Meanwhile Sorcha slowly regains her memory, will danger follow and will Cameron call on his brothers for aid. I was engrossed from the start, I just couldn't put it down, the characters melded together perfectly. I received an advanced copy and I voluntarily leave my own opinion

Publisher's Description: She was the weakness he could not afford, and the temptation he could not deny. Highland warrior Cameron MacLeod's mission for the king has just gone dangerously awry, and the best chance he has of saving it is the fair-haired beauty he encounters during the ambush. Injured during the battle, the enchantress has lost her memory, but Cameron harbors one of her. Long ago, a seer foretold that this woman had the power to destroy him. He's confident he's not so weak as to succumb to her charms, but the mysterious woman soon proves herself brave, guileless, and after one foolish, searing kiss, impossible to resist. When Sorcha Stewart awakes in a strange place, the only person she has any memory of is the handsome highlander in front of her and even that memory is hazy. Still, she instantly feels drawn to and protected by Cameron, and he proves her instinct correct with his willingness to endanger himself to defend her. Soon, love ensnares her, and when Sorcha finally recalls her history, she learns she's irrevocably tied to the very enemies the Scot has been hunting. Now that the seer's foretelling is coming true, it's putting Cameron in grave danger. With little time and their futures hanging in

the balance, Cameron will have to swallow his pride and seek the help of his renowned brothers, whom he spent his life striving to be considered equal to, or risk losing Sorcha forever. As for Sorcha, she will have to break ties with her past to hold on to the wondrous love she discovered. My Thoughts: This book is Julie Johnstone at her best! When I was gifted an ARC of this book I thought I would have until September 5th to read it. Imagine my surprise when it released a week early. I enjoyed the read. It is one of the best Medieval Romance stories I have read recently. The cover art alone would entice me to read this book. Cameron MacLeod is forever trying to impress his father who thinks his third son is an utter failure. He enters a knife throwing contest only to be bested by a young woman disguised as a lad. Before he can catch her to discover her identity he is waylaid by a woman who is known to pretty accurately predict the future. Years later while pursuing a murder he stumbles across that very same young woman lying unconscious on the forest floor. Thinking she may have had a hand in the death of his king's mistress he takes her home with him. Sorcha Stewart has lost her memory. When she awakes the only person who seems even vaguely familiar is Cameron MacLeod. Even that memory is hazy at best. Is Sorcha part of this plot against his king? Can this pair of virtual strangers who seem destined to be together overcome the odds? I gave this well written book 4.5 of 5.0 stars for storyline and character development and a sensual rating of 3.0 of 5.0 flames. There are only brief sensual encounters and they are very warm on the scale of 1 to 5. Although this is book number five of this series and there are repeat characters from the previous four, this book reads well as a standalone title. I received a complimentary digital copy of this book prior to its release directly from the author to read. This in no way affected my opinion of this title which I read and reviewed voluntarily.

How a Scot Surrenders to a Lady' by Julie Johnstone is Book Five in Highlander Vows: Entangled Hearts Series. This is the story of Cameron MacLeod and Sorcha Stewart. I have read some of the previous book but I do feel this can be a standalone book. Cameron is the youngest of his brothers and seems to have something to prove to them. Sorcha and her twin brother Finn are very different in that Sorcha is more the warrior and Finn is more of the softer of the two. Their Father, Earl of Angus is very harsh and Sorcha and her mother used to buffer between the father and the son. But their Mother has died and now Socha is trying to keep protect her brother. Their father already married of their sister to a harsh man who just wanted a wife for children. Now their father is trying to make Finn into a Warrior by making him kill King Davids' Mistress, Katherine Mortimer. When he fails to do the job a fellow warrior named Hugo said he will do it if he can have Sorcha's hand in

marriage. Sorcha knows that she should have left her father instead of staying with his threats to marry her off but she feels she needs to stay and protect Finn and their Uncle Brom, who is large as a warrior but has a mind of a child. But with this threat of killing the King's Mistress to start the downfall of the King and knowing this will hurt Finn in the long run Sorcha goes to warn the King's Mistress and their group. Cameron is leading the group guarding the King's mistress and they are attacked he happens to see Sorcha. Sorcha and Cameron actually met a few years back briefly when they were at a Tournament going on that they both competed in. Although Sorcha was dressed as a boy since women can't compete he saw her and tried to talk to her. But was stopped when she ran off and a Seer stopped him to tell him it wasn't his time to meet her. That she, Sorcha and him would meet again and she would bring him to betray his family and the King. Now has come the time for them to meet and be together but Sorcha has hit her head and doesn't know anything it seems and Cameron is trying to stay strong and not fall as the Seer said he would. This book you will not be able to put down...so be prepared to enjoy a few hours of reading!" My honest review is for a special copy I voluntarily read."
