Customer Reviews

I am never disappointed when I read one of her books. They are so entertaining that the worlds and lives she creates are so real. They draw you so closely to them and create an endearing bond, which only makes you care for them so much more. She leaves you with a sense of accomplishment and renewed hope for things yet to come. Thank you.

There was only one story that took awhile to get going. These stories were quite different in theme from what I read in the past

very good

Loved it!

This was a great read. I do believe the author would do well to keep her characters she created in line. More than one Aunt Birdie was referred to as Aunt Cilla.
